

You say you have a Constitution

But can you prove it?

by Jeffrey Scott Flesher PhD

Most Americans believe they know all about the United States of Americas Constitution, but can you prove what you know or believe about it, is a question only you can answer, but I will give you proof, that the United States of Americas Constitution was Suspended in 1861, a 100 years before I was born.

There are People that only believe what is the expected norm, so when the norm is to believe in a Theory by Albert Einstein, when these type of people believe it without needing to prove it to themselves, because they figure that someone much more intelligent already figured out that Newton was wrong and Einstein was right or the newspapers would not print that if it was a lie, right? There is a term for people like this, that only believe what they heard in their herd, and that is heard mentality, I heard it so it must be true, and no thought as to what if it is not, if you know Light has no acceleration it is not Dynamic.

There are People that only believe what they can prove to themselves, and these types of people, know that Newton was right, because everyone still uses his math, only they are using it in Einstein's Theories, and that is not right, how can anyone be that stupid, as to mix math that is incompatible, Einstein's Theory is about a Universe that has Dynamic Light, and uses Centrifugal for Gravity, Newtons Universe is based on Facts, and Light is Static, and it has no acceleration to prove it, so as it turns out, all those people who believed what they heard, are stupid, so why would you believe you know anything about the Constitution, if you are stupid enough to believe in a Theory about a Universe that does not have a God in it, and use Math written by Kepler, Newton or Tesla, that is based on Static Light, that is God, and this God that is All Light without Darkness, is the Force of Gravity, and not Centrifugal Force, and the truth is that the same people who are lying to you about Science, are lying to you about the Constitution. Once you understand simple principles about the Constitution, you will understand why it is suspended instead of amended, and the first thing you need to know about the United States Constitution, is that it was once the Magna Carta, you can compare them and you will know it for sure, but did you know that Sir Isaac Newton said he fixed it, and that was the version that Benjamin Franklin used as the Founding principles, well if you do not, there is a good reason, someone is hiding this information. The reason most people do not know this, is a thing called "History Revisioning", this happens whenever a Country has been Conquered, and the United States was in 1861, only most people do not know this because they are being Lied to by the same people that are pushing Einstein's Theories over Newtons Universe where God is the Force of Gravity. People that believe God is a Deity, meaning God does not Physically Exist, or only exists as a Spirit, or an Angel, are insane, totally, and by their own admission, as are people that do not believe God exists, and for the same reason, and it is in the Bible, it defines what God is only once in the Bible, and Newton knew this all too well and wrote a book about God called Optics, because the Bible only Defines God as All Light without Darkness, and that Exist, and you would have to be insane to believe it does not, and anyone that tells you that the Light is Good and the Darkness is Evil, is Satanic, Satan only tells half-truths, the Bible tells the whole Truth, only Sheep believe in the Stories in the Bible, Psalms 23. Johannes Kepler was always on the run from Knights Templars, the Churches Army, that murders all that do not believe in Christ, making "Christ Believers" mass murders throughout history, proving they are nothing but Evil People who Murder others for their Beliefs, all so the Church can make Moses and Jesus Bar Abbas out to be Bad and Money less Evil by making only the Love of it a Sin, Lies that Kepler found while looking for the birthdate of Christ, only to find Christ never existed in the Bible prior to the 3rd Century, and the Knights Templar would burn Witches and Wizards with the Bibles that told the Truth. This Book is a short story about how the United States lost its Freedom and Constitution becoming Slaves to the Bank known as the Federal Reserve, that now owns US like Sheep, all because of Religious People, Lawyers and Politicians, also known as Satan, who is now in charge of the U.S. a Corporation of the Federal Reserve, a Privately owned Bank that Prints the Money instead of Congress, the Puppets for their Masters, and the Banks Golden Boy Lincoln who was Legally Executed for Treason, for taking out a loan using the Constitution as Collateral, stupid Sheep, now you only have Free Dumb.

Chapter 1

Getting to know the United States Constitution

Let me introduce you to the United States Constitution, it was first written as the Magna Carta, but the French only wanted Revenge, and to Rape and Loot, a part of History that Sir Isaac Newton had a hard time understanding people like that, who once they conquered the Country from what they told everyone was a Corrupt Government, only to become an even worst form of Government, that ignored its Constitution, and was eventually over thrown, because the People in charge took all the Money they wanted, greed was what drove them to madness.

The United States became divided by the South that wanted Slaves, because Jews and Muslims both were Slave Traders, but the Christians would rather use Religion and Money to make Slaves out of People, and why our Founding Fathers wrote to never allow any Religious people or Freemasons into Office or they will sell out this country, and they were right, and the Constitution should have reflected that as Newton made sure, but the South being mostly Jews and Muslims, would not have it, so the Civil War begin over what form of Slavery would be allowed in the United States, and Banks backed both sides, not caring who won that stupid argument, since they all wanted nothing but Money.

To understand the United States Constitution, you must understand Money and Religion, because that is at the foundation of why it was suspended. Religious People believe they are Good People when in fact they are Satanic, and not Good at all but total Evil, that is how Satan works, Satan wants you to believe you are Good, and those that do not believe that God does not exist are the Evil, as a child I read the Bible, and wondered why Adults would have children read Satan Propaganda, so keep in mind that Neurotypicals (NT) are Retarded, and they are Arrogant with a huge Ego to feed, so they want to believe it is the Autistic People that are the Problem, and because it is normal to be NT, they think they should be in charge, and that is why Public Schools only teach Retarded Math and Science, and why the Constitution has been suspended for 160 years without any NT's knowing, proving they are Retarded, and too stupid to know it.

I will focus on only one Section of the Constitution, so, I will start off with Section 8:

Section 8

- 1. The Congress shall have Power To lay and collect Taxes, Duties, Imposts and Excises, to pay the Debts and provide for the common Defence and general Welfare of the United States; but all Duties, Imposts and Excises shall be uniform throughout the United States...*

This statement "*The Congress*", means Only Congress can Print Money, and that is the intent of the Document, notice it does not say any privately owned Bank, like the one that now Prints the Money instead of Congress, thus this is not a Minor Change, in fact, it is more than a Major Change, so it cannot be Amended, since that mean Minor Change, and this is a Section, not an Amendment to the Constitution, therefore it cannot be changed.

When this happened, which was in 1861, when President Lincoln took out an illegal loan with the Bank, using the United States of Americas Constitution as Collateral, and this is why a Privately owned Bank now prints the Money for the United States instead of Congress like the Constitution states. How did the United States of America lose its Constitution in a Gambling Game?

First off, do not accuse me of being Un-American for Defending the Constitution and its validity, I am a Medically Retired United States Air Force Staff Sergeant, who took an Oath to Support and Defend our Constitution, and my family came to North America starting in the 1600s and ending in 1752, well before the United States even was thought of, which makes me a Native American.

The Fleischer name was changed to its American name when we moved here, by removing the IC, to get Flesher, it was this family that was given land for their role in the War of Independence in 1776, and the War of 1812, and my Family helped defend this country in every War it is ever been in since, and defended the United States of Americas Constitution, up till the day that Abraham Lincoln lost it in a Gambling Game called the Civil War, in 1861, since that day the Banks have own US like Sheep. The Bank made the same loan to the South because they did not care who won the War, because they own it all.

Amend means minor change, Only not only means Major, but it totally changes the whole foundation of the Contract, for example, after President Lincoln refused to stand trial for Treason, and instead called in the Police to protect him, and using the Military presents to detour any attempts at gaining access to the White House, as he set in office for 3 years while its Citizens tried to get him Impeached for Treason, he made the Militia Outlawed, and anyone that supported their claim, will be found guilty of Treason and Executed, leaving the Militia no choice but to execute Lincoln for Treason, only to have the Next President carry on his Treason to this day, and allowed the Banks to take over the whole country from that moment on.

To the Bank, Lincoln was a Hero, he made slaves of a Nation and they loved him for it, this is called Slave Mentality, the Slaves never understand that they are Slaves, this is called Indoctrination, or Brainwashing, the Church uses it to teach Religion, according to Kepler and Newton, Christ does not exist, yet Sheep, Psalms 23, believe otherwise, this is called Mass Insanity, and it allowed the Banks to take over with few asking questions to this date, proving "We the People" are "We the Treasonous Sheep", as the most sold out country in the World, pretends they have Freedom, by becoming a Nation of Liars, who are too ashamed to admit they lost the Civil War and now we are all Slaves to the Bank that now owns us like Sheep.

The United States Constitution does not exist as a valid document, legally it was Suspended till the National Debt is paid off, and you cannot use their money to pay it off, so good luck on finding a way to pay it off, till then, the Bank owns US like Sheep, and the reason for this simple, the Founding Fathers of this Country, which one of them was my Great-Great Grandfather, who would not sign the Declaration due to one Clause that the South was steadfast on, and that clause is that Only Congress can Print Money, my Grandfather said it is a Loophole some Lawyer could use to steal the country, and he was right.

Once you get to know the United States Constitution, you know that there is no way that it would have allowed the Banks from which we fought our Independence from, to just take over again, because Politicians can never get enough Money, and what do they do with it, Evil things.

The Greatest Wizards of all time are: Johannes Kepler, Sir Isaac Newton, and Nikola Tesla, and the World only uses there Science, and only Satanic Sheep, would use their Work, in a Godless Universe of Albert Einstein, whose Theory has never been proven, so it is a Lie, and since I know only Satanic people tell lies, I know who all the Satanic People are, and they are Religious, the biggest Liars on the face of this Planet are Santa's Helpers, and those are called Religious Sheeple, Police, Politicians, anyone that uses Money, myself included, I know better, I also know that the Police are the most Satanic people on the Planet, and Religious Police are Murders, and it is because of Sum like Religious People and Police, and the Politicians, and you know that most of them are Gay Pedophiles, and Police are the Worst Offenders of them all running the whole Ring, when they pick you up, no telling where you will end up, but they will torture you, that is what Satan does, and all Police know is how to be Satanic, and Satan will never admit who they are, but Satanic Actions always give them away.

The Powers that Be are Satanic, the whole World of Religion has always been Satanic, as proof they murder anyone that does not believe in Satan as they do, the Pretenders, who say they believe in God, but ask them about their God, the Deity that does not Physically Exist, and the Liars that try to sell you on Spirits or Angels, they are Satanic, and that is a Satanic Practice, only Satan would teach you that God does not Physically exist, because that means God does not Exist, a Satanic Belief only, God is All Light without Darkness, that All part, means God cannot be a Spirit or an Angel, and only Satanic Sheep teach that.

Christ is the biggest Lie in History, and Christians are the most Evil People Bar/None, they Lie about God even after you tell them the Truth about God, and they lie more, they strike back at you for seeing them for who they are, Satanic people who support Gay Pedophiles, that is just a Fact, that they cannot change, nor care to, because they know they are Teaching the Satanic BS and their Sheep are Loving it, they cannot get enough Lies nor Sin, they admit they are Sinners, and Sin in Christs Name, as well as their false God's, the one named God, is actually just a name like any other, Angels are Ball Lighting.

Chapter 2

The Concept of the Constitution

The Concept of the Constitution, was that the Government collects taxes to build roads and public buildings, not so Politicians can live Rich, and have to borrow money from a Private Bank to do so, now that We have become so indebted to, that We can never pay off the National Debt, thus be Slaves forever. If you do not understand why Borrowing Money makes you a Slave, then you have Slave Mentality, so to understand this, I will give you an example.

For every Bill that the bank prints, they get a set amount of money for it, so in order to relate this in a way that you could understand. You own a house, and have 3 children, you work, make money, and pay bills, but now the house is too small, so you borrow money to make it bigger, now as long as you have Money, you feel you have Freedom, but with no Money, you have no Freedom, because everything cost money, so Slaves define Freedom, by how much money they have to be Free with, and you learn this lesson, when you lose your job, or get sick and cannot work, the Bank does not care about your excuses, this is a Business, so you lose your Home, and have to move out onto the Street, and with no Money you become desperate, doing anything for money, so you join their Military or Police, or City Worker, Postman, or other Government Paid jobs, or go on Welfare, and let those that do work foot the bill, now the Government cannot make their payment to the Bank that owns them like Sheep, so by you not being able to pay your bills, caused the Government to fail, so the Bank came in and took over the Government, and kick the people that had those jobs to the street, because this is just business, and this is how business is done when you own the Bank.

Now you are living off the Government, who has to borrow more money, and if they cannot pay that back, the Bank comes in and says make an Executive Order that allow you to take the Money, and then throw those people in jail, and make them work like slaves for pennies.

History, learn by it, or make the same mistakes over and over, this is how easy it is to forget the Gold Hoarding Act Executive Order 6102 in 1933, by President Franklin D. Roosevelt, this act allowed the Government to legally come into your house and take all your precious metals, Citizens lost everything overnight, many ended up in prison for other things they found, and now the Country is a Prison that makes money for Banks, by making Slaves out of its Prisoners.

To the people in Prison, the Money that they are making the Bank, is what gives the Bank the incentive to have more Slaves, so the People who live off the Government, are the cause of the Prison Population, yet they do not see it that way, so people that did nothing wrong end up in Prison, just because those in Charge are Corrupt and Evil, Satanic even, and the Police really do get paid to write Tickets, that is just a Fact, they Lie for a Living just like Lawyers, they make money by putting you in Jail, because all Police Departs are Privately own, the Officers can be sued individually, so the Banks have no responsibilities for their actions, and most Cops are just pissed off bully's, and nothing more than Crooks themselves, the test they take to become one, make sure they are all Psychopaths and Sociopaths, it is a requirement, and I believe this applies to most Government jobs, and why this Government is so insane.

Most American believe the Police are good people, I know firsthand that is a Lie, I am a 60 year old Medically Retired Disabled Gulf War Vet with PTSD and known to have panic attacks, and they lock me up for no reason and no charges denying me any Rights, not even a Phone Call, nor any Medical Treatment, I had blood pressure of over 160, and I have Hypotension, I have medical charts proving its normally under ⁹⁰/₆₀, so 160 to me, is like 240 to normal people, and why this is illegal, and I know All Police are Psychopaths / Sociopaths, and they do it for money, which makes them paid torturers, I was tortured for a whole week by the Police, If I died, it cost them nothing, and my life was worth nothing to them, I saw them do things that were insane and inhuman, and this is Riverside Police in the year 2019, so I know for a fact what Assholes ALL cops are Bar None, to serve and protect the Bank, not the Disabled Vets they abuse, and shortly after leaving the PIG Stations, I had to have an emergency Gallbladder

removal because of what the Riverside Police did to me, knowing my condition, and laughing at me, telling me I should not have been a fuck up and got arrested, Assholes with a Badge that deserve absolutely no respect, because they give none and have no honor and are guilty and the cause of the Treason, and why the Banks, the Police Dogs Owners and Masters, and Scum of the World, known only for being Pigs, and being Criminals, want more proof.

The Police get paid to move you from Cell to Cell, so they do this every two hours, so you never get any sleep, they are always moving people in and out of the cells every few hours ^{24/7}, then they throw the food on the ground, like we are dogs and have to eat off the floor, and there is no way you can lay down, to many people, standing room only, and they get paid to move you from one jail to the next, so they move you to ever jail in their jurisdiction. All this Abuse makes me Hate Cops, because I know firsthand how abusive and what liars Police are, and total Psychopaths / Sociopaths from Hell.

Those in Power, are abusing it, and let me let you in on the worst abuse cases that I have heard of since I was born, and it starts with a Guy who goes by the name Kai.

On 1 February 2013, Caleb Lawrence McGillivray, also known as “Kai the Hatchet-wielding hitchhiker”, who is a Legend in his own time, after being picked up in a car, only to be told by the driver that he raped a 14 year old girl while on a business trip, and had this revelation he was Jesus Christ, and could do whatever he wanted, and said watch this, and drove deliberately into a Black man with all the Racial harm intent to kill, based only on what this insane person called a Black Man, not a White Man like Him, but to a racist, this man was just a Target to vent all their anger out on.

The Jesus Christ attacks this Black Man while he is pined between his car, and the truck the worker was behind, Kai grabs the keys from the car so Jesus Christ would not drive off killing this guy, and many others around them, then did the smash, smash, smash hoe down with the back of a Hatchet to the head, then the guy wonders off dazed and confused and walks down the street next to a school, and was reported masturbating, so by keeping the guy on the scene till Police came and arrested him, Kai became a celebrity overnight, for saving not just one life, but many, the Jesus Christ turned out to be Jett Simmons McBride, who is in some Mental Health Ward locked in a padded cell on suicide watch. This is Jesus Christ AKA Jett, the guy that wants to kill all Black people:

Kai is so popular, he goes on the Jimmy Fallon Show, who gives him a much apricated gift, as he continues his Home is where you are lifestyle, and finds on the road that he is offered rides and lodging all

the way to New York, where he was picked up by this New York Lawyer by the name of Joseph Galfy Jr. who is somehow related to the Chief of Police, who shows up with all his buddies to make sure the Crime scene is clean, and to frame Kai of the Murder of this person, who Drugged Kai, then raped him while he was sleeping, the first time it was oral, and he thought it was just drool, but upon waking up from a Drugged State, with this New York Lawyer with New York Chief of Police Ties, who holds Kai in Jail for over 6 years, and he probably giving the same torture treatment I was while in jail for nothing I did wrong, then in April of 2019, he was sentence to 57 years in prison, just so the Police and Lawyers could get Revenge for telling the Public what all of them do for Entertainment. This is the Lawyer that likes to pick up hitchhikers, drug them and rape them:

This is what happens when an individual has no Rights, and Police, known Black Man Beater and Murders, and Riot instigators, just so they can make money by locking you up in their Pig Pins, sorry but Police deserve all the Hatred they get from inmates, I was in the jail for a week with no charges, I was there because Police are nothing but Assholes with Badges, they totally disrespected me, I told them I was Retired Air Force, when I said Special Ops, the Police Envy Penis got an erection, and he called me a Liar, just because he is one, then knowing I am a 100% disabled Gulf War Veteran, they handcuff me so tight my hands went numb, and then drove through residential neighborhoods at close to 90 miles an hour, running stop signs, cutting through dirt roads, no exaggeration, I was tossed back and forth with no seat belts, while in Jail I had a Gallbladder attack, never had one before, but I just had over a foot of colon removed, and still healing, and I have had an Appendicitis attack and lived through it, but as it turned out, that might have hurt, but it was not the issue, not long after those Lying Pigs released me, after a week, 7 days, no food I could eat or water I would drink, who would drink Toilet Water, this is why I call them PIGS, and in so much pain I could not stand up, only to be dropped off a mile from my home and made to walk home, just because the roads were not paved, give me a break, a 60 year old man that cannot walk, they deserve no respect and will never get it from anyone, why, because they are Treasonous Traders to the United States Constitution and they prevented the Militia from legally Serving Lincoln, thus they are 100% responsible of Treason to the United States of America, and they all should be what, given awards for Treason?

The New York Police Department made sure that Kai was not given any Human Rights, and no Legal Rights what so ever, he was not tested for being Drugged nor Raped, this is a clear violation of the Law, but when your Chief of New York Police, you have no rules, and no one to report to, so you get away with Revenge, and trying to cover up Rape which is a Federal Offense, and the Police are all guilty of this Crime, as well as others. Police have been known to start Riots on purpose by beating or killing Black People, and then they get away with it, the Rioters, not the Police who get an attaboy.

The New York Police and Fire Department helped pull off the 911 Tower Event, an Event that is very clear to some people, and cloudy to others.

There are Thousands of people in New York streets taking pictures all the time, not to mention traffic-lights, store security, and other private as well as public cameras, yet only a few sources for all the Video, and still images taken of the actual Air Craft hitting the building, and I do not believe any of them are Real,

and for good reason, they cannot be, there was not one Aircraft part found from any of the missing Aircraft, that means they never did hit those targets, but you were made to believe that is what happened.

This is the Science, one of the planes has enough fuel to take off and land in LA, it then flies half way there, and turns around, and flies to New York instead, they had to have inflight refueling to make it to New York, but that is beside the point, the real point is simple, when any Aircraft crashing into anything, and a building is not immune to this, the nose cone is made of Fiberglass, I know, I was a Crew Chief, they will crush on any impact, and would crush before breaking the glass of a window, and the wings would have been torn off, that is just the Science of it, the fuel was bingo, anyone that tells you otherwise is a liar. The fuel would have burned off in a matter of minutes at the most, and did little damage, since the smoke alarms would still worked on the floors above and below the crash site.

There are pictures of Fireman and people, above and below the crash site, this proves the Fire was not an issue, the people had no protection what so ever, and someone could have been throwing out dead bodies for all I know, and what I do know, is Science. The science is simple, demolition, no matter how you want to explain it, one beam is recorded being ejected sideways out the side of the building, and the two ends had thermal cuts at demolition angles, to bring down the building in a controlled free fall, since not even a microsecond difference can be detect from the free falling beam, and the place in the tower it flew out of, that is clearly detached from the building, yet falling at the same speed, and demolition is the only way that can happen, a very simple answer, for a very simple explanation for real science.

If it was the fire, the structure would have become unstable, and would buckle, not snap, and it would not have come down the way it did, it would crush down onto the level below that, and cause a domino effect, and small time delays at increasing intervals would be clearly visible to the naked eye, and that delay would be measured in seconds, nothing smaller, it would be real noticeable in fact.

What someone did, was shoot some video of the Explosion, then took a picture of a Jet flying, and using CGI, made it look real, but it didn't, they made a lot of mistakes, that experts have noticed, for example, there is a technique, where the plan just disappears into the building, instead of doing an simulated impact, that obviously would have left Aircraft parts everywhere, and another glaring mistake was the one taken from battery park, that angle is not even possible from that location unless you are in a Helicopter, which they were, but not the guy who claimed to have filmed it from the Park.

This is called Ghosting, it is physically impossible in physics, much like the big bang theory. Notice how nothing falls to the ground, and this is not because the Aircraft is moving fast, the building is not, we know from millions of crash simulations, that this would never happen, it is the sloppy work of people that believe no one will notice, but I will show you something you might, this guy claims to be standing in Battery Park, so someone else decided to find a picture taken from it, and here it is below, and as you can clearly see, the guy taking the video is a Liar, so why believe in this Video is a Evidence, when its evidence of foul play, this video was made by the people who blew up the building, and made Stupid People, I mean Sheep, believe in the Impossible, and hope you never figure this out on your own. I posted a video about this back in 2014

<https://www.youtube.com/watch?v=ZAkQhICSvo&list=PLR0QoztQVGtiaY9horewVFVTS4A4Qnadg&index=2>

Once you see a Lie, it cannot be unseen, and the images you are about to see, will blow you mind, and they are taken from Mainstream Media, I did not use any tools to alter the Images, I just post them, and this video is one of the first to be seen, at least it was for me, and the error was so obvious I thought it was a joke, someone took a video of an aircraft flying, and just made it ghost into the building, this is physically impossible, just like Angels being named God or Satan, same Angel, how do you tell them apart, by their Actions, Money is Evil. One Lie means it is all a Lie, and this video is all Lies, no truth just a Satanic Person who got paid for doing Evil, they set Demolitions, and they did not go off as planned, the Video did not fool as many people as they hoped, and they actually did not think anyone would understand that no Aircraft Debris, means no Aircraft Crashed, Physics and thinking, it is not a stupid persons thing, and that is what Mainstream is counting on, enough Stupid people to believe it, and make it seem real.

To illustrate this, look at these 3 image sequences taking from Battery Park:

As you can clearly see, it is not possible to get that angle from Battery Park. Why did New York Lie about it, anyone that has ever been to Battery Park can tell you they did, and for the same reason Oklahoma lies about that Truck defying the laws of Physics, by someone creating a shaped charge out of a van, might of worked in Theory or in Hollywood, but not on Myth-Busters if given the challenge. Bad Science is what Mainstream is good at, no news is the Truth, only Half-Truths, so what do you expect.

Keep in mind, all of this is because someone did not want to work, or could not work, or some politician thought they should make more Money, and I am still talking about the effects it has on Society, it is a Domino Effect, and now we have people that live on Welfare, and who pays for it? We the Sheeple, the Slaves in Prison for doing nothing wrong.

I research a lot of things, Aids is one of them, and did you know that no one on this planet knows what a an Aids Virus looks like, because it is only a Theoretical Virus, if you had certain markers, that changed all the time, depending on funding requirement, you theoretically might have it, but that was not what was killing people, it was the Treatment, some that had it and lived, but had no treatment, just meant they were a false positive, this is called BS Science, and it is a crime against humanity, and so are Vaccines and their Makers, who only do it for money, and did you know that over 100,000 children are Murder every year by Vaccines, this make those people and companies guilty of Murder, my Daughter was almost one of them, so I know this for a Fact, there are many books written about DPT Vaccine, my own mother died at age 19 because of the Vaccine.

After a 50-year double blind pear review study of Vaccines, reported by the Journal of the American Medical Association (JAMA), stating that all Vaccines are 100% ineffective at preventing any disease, and in fact, is 100% positively giving you that disease for no other reason but Money and Population control, all because someone wants to live on Welfare, those Sheep are called Consumers, and Vaccines are designed to kill them.

I was given the Anthrax Vaccine under orders, and threat of a Dishonorable Discharge if I did not get it, 3 days before we found out the death toll was over 1500, everyone that got it was nervous, many took the Court Marshal, I wish I had, like the over 270,000 of 290,000 that actually got that Vaccine, committed suicide, because they could not deal with the ill effects it had on them, I know this feeling well, I have to live with it daily, so do not tell me Vaccines work, or are good for you.

Mainstream is owned by the Federal Reserve, and everyone that works for Money, works for them, since they are the ones printing it, and anyone that Uses it, is Guilty of Treason, under the United States Constitution, and why Mainstream lies about everything, and why Public Education is so retarded, and only teaches lies, all just for Money, and why the Bible stated it was the Root of All that is Evil, someone pays someone Money to do harm to another, and everyone that uses Money is guilty of aiding that crime, by supporting the use of Money, but Money Junkies do not see it that way, they think People were Slaves during Moses Time, and He Freed the Slaves, a Lie, Satan's Lie, and Moses Laws, only a Fool would Read them, since they are Written by Satan, not God, read the Bible, Moses raped, pillaged and looted, good people never do that, but Satanic People do, and they Worship those that do.

The Constitution stated all people (Men) are equal, so it never allowed Slavery of any kind, so History has be Revised to make Lincoln out to be the Good Guy, when he is Satanic and will rot in Hell with every Religious person on this Planet when it comes time to be Judged by God, the Real God that actually Exists.

The Concept of the Constitution is to not allow organization like the Church, Police, and Lawyers in General to even Exist, knowing they are nothing but Satanic Organizations and they are nothing but Liars, and Guilty of Treason under the United States Constitution, and they openly Support Gay Pedophiles, and are responsible for all the Crime in the Country, because it is all due to Money, but Americans are mostly a bunch of Sheep, that are too Stupid to think for themselves, and allowed this Treason to take away everyone's Freedom, just for Free Dumb the Government that is owned by the Bank sells you, as they steal everything you own, and force you to live in Sin and misery, all for Money, our Founding Fathers are ashamed of all its Citizens right now, so am I, and God will wipe all of the Evil from this Planet End Time.

Chapter 3

The Validity of the United States Constitution

Who would admit to being guilty of Treason?

A better question is, if we are born into a Government that is already Guilty of Treason, are we equally as guilty?

The Answer is yes if you took an Oath to Defend it.

The term Defend, means just that, and Lincoln sold US out to the Banks, ask JFK what happens to Presidents who decide to have Congress start printing money to pay off the Banks, and the Term Coverup, by an entire nation, this means that Defend has no meaning to “We the People”, and why we are now known as “We the Sheeple”.

The term Sheeple, comes from the Bible, which according to both Johannes Kepler and Sir Isaac Newton, was written using Witchcraft, and why the Church would hunt down and Murder Witches and Wizards, throughout history, and I consider myself to be a Wizard, and why I talk ill of the Church that would love to burn me at the Stake for writing this, proving they do not believe in Freedom. The term Sheep refers to anyone that would believe in the Stories in the Bible, since they were all about Alchemy, and not about Religion, which is done in a Temple, so by definition, anyone that is Religious, is a Sheep, in fact it is required, you cannot be in the Temple, unless you are a Sheep, the Bible tells you this, maybe you should read it, start with Psalms 23, if you actually want to be a Sheep, you have mental health issues. Therefore Sheeple means Sheep that go to a Temple, it is a Play on Words and Spells, and that is what Witchcraft is, and once you understand this simple truth, the easier it will be to read the Bible, it is just a bunch of Alchemy Recipes that are written in Bible Code.

Let us talk about Lawyers, and what they do for a Living, and that is Lying and Make Money, which under the United States Constitution is Treason, yet a Lawyer will tell you that the Constitution is Valid, when in fact they cannot prove that. The Constitution only exists as Worthless Words written on Hemp Paper, Hemp being in the Cannabis family of Weed, and what they were Smoking when they wrote it, and what “We The People” were smoking when we allow Lincoln to sell US out, and as far as Validity, it has none, and as far as Rolling paper, Cannabis is better, so the Document has only historical Value, and little smoking value, so little meaning to Americans, since this happened 100 years before I was born, and I am pushing 60 now, and the only way you can convince me of its Validity is to prove it, and how can you, when you know this Privately own Bank prints our Money and not Congress, and the Lawyer works for the Banks, if you do not believe me, look up the Powers of Enumeration in the US Code of Federal Law Title 12 Chapter 3 Subchapter 9 Subsection 341, you can find it at the US Code House Government, <https://uscode.house.gov/view.xhtml?path=/prelim@title12/chapter3/subchapter9&edition=prelim>, so, see who the Enumeration of the Powers Act puts in Charge, and what it is all about, the Federal Reserve, also known as the Bank.

You do not have to go far, just stop at the Fourth: To sue and be sued, complain and defend, in any court of law or equity, proving this is the Whole Game, Sue, and only Lawyers Sue, and they must pass the Bar, which basically means All Lawyers work for the Bank, no exceptions in the World.

Knowing this, can you trust a Lawyer to answer the question of if the United States Constitution Valid?

No, not any of them, all the way to the Top, nor can you trust anyone that works for money.
How did the Bank take over, and Americans be so unaware of it?
Sheeple, do I need to say anything more?

Not all Sheeple must be Religious, because a Sheeple also refers to a person that believes only what they have heard in their herd, this is called herd mentality. Do you think the Constitution would allow this?

No.

Do you still think you have a Constitution?

Are you a believe what you see, or a see what you believe type of Person?

Let us shift the focus to what you know about your own Reality, I will ask you a series of questions for you to answer, write them down on the honor system.

1. Is Black and White a color, if yes, how many? Correct answers include No, Yes, 1 or 2 (1 each)
2. What Color is Light and Dark? Correct answers are Black and White match them
3. Can you see Light and Can you see Dark? Correct answers can be yes or no, or any combination

Sir Isaac Newton wrote that Colors are very misunderstood, and went on to write Optics, to prove these 3 points, so according to Newton, Black and White is not a Color, so No, the White Light from the Sun, breaks out from a Prism into 3 bans of Light, this is known as the Darkness in the White Light, but the White and Black are inputs from the Sun, and decoded by our eyes, as proof, you will not find White or Black in the Rainbow of Colors, since they are inputs to the prism, and not outputs, and you can revert them.

What Color is Light and Dark is White into Black, the values are always opposite, as such, in Hex, you have FFF, and 000 to represent all shades of Grey in between, thus Grey is not a color also, it's just a shade of White and Black mixed, and you will not find Grey in the Rainbow, only Colors, so Colored People cannot be Black or White, in fact, People have no color.

When humans look at the White Light of the Sun, they sometimes see it as yellow, but its white, but more to the Point, Newton said we cannot see Light without Darkness, as it turns out, this is in the Invisible Spectrum of Light, so we cannot see the Light without Darkness, nor the Darkness without the Light, since we can only see the Darkness in the Light, since it is the Rainbow of Colors, and why the Bible states you must have Faith that God Exist, and God does exist, yet Religion teaches you God does not Exist.

Newton changed our Reality of what White and Black are, as well as what Light and Darkness is, so did you answer all the questions right?

Unless you knew all of them, you were Ignorant, not Stupid, now you know, and if you do not believe it, then you are a Sheep, and that is an Animal that only believes what it heard in its herd, because these are the excepted scientific answers that I was looking for in the real reality. If you were ignorant as to something so simple as Black and White, or Light and Darkness, how Ignorant are you to the United States of Americas Constitution?

You say in your mind, or under your breath, as if I can hear you, that has nothing to do with the other, but actually I can prove the two are related, and why they are.

The reason few know the answer, and trust me, few do, so do not feel bad if you are not one of the few that actually knew this stuff, you can research it online, Kepler, Newton and Tesla are in the Public Domain, but still, a few of you will not believe me, as if I just made that up, and adding Newton to it to make you believe it is true, and that is just Mad, and that actually means Insane, the Belief in things that do not exist.

Only a Fool would not believe Newtons work, he only published what he knows is the truth, and the Truth never changes over time, and that is why it is known as a Fact, and a Theory is not a way of Explaining a Fact, it is something you believe to be the truth, but cannot prove it.

Reality check number 2, are you sane, meaning you do not believe in things that are not real, or things that do not physically exist, because that is the very definition I use for Sane, because if you believe in things that do not exist, and Physically does not change that, you are insane, so make a choice, and live with your answer.

To understand Reality Logically, we must follow a trail of Sanity first, since most people believe they are Sane, when in fact, they are insane, so think carefully about the next 3 questions.

1. Do you believe in God, if yes then in 3 words or less describe what God is?
2. If you believe in God, do you believe God is an Angel?
3. Is God a Deity?

Now to see if you are Good or Evil

1. If you picked No, as in, you do not believe God exists, you are insane, and the reason is, that in the Bible, it only defines what God is in 3 words: Light without Darkness, and that exists, but if you believe God does not Physically Exist, then God does not exist, and you are still insane.
2. If you chose God is an Angel, then you are insane, the reason is simple, see above for one, and two, only Sheep believe God is an Angel, and if you believe you are a Sheep, you are insane. This belief is called the belief in multiple Gods, since God is just the Name of one of the Angels, you must believe they are all Gods, and Satan was one of them, he was the one that teaches Half-Truths, and is easy to spot by the stories they tell about God, because we all know what Light and Darkness is, and it Physically Exist, unlike an Angel that does not Physically Exist, meaning God does not Exist, therefore making you insane, for believing in things that do not exist.
3. God is All Light without Darkness, and that Exists, but a Deity does not Physically Exist, meaning a Deity does not exist, so God cannot be a Deity, but Satan can.

The Belief that God exists as a Spirit or Angel that does not Physically exist, is called Satanic Teaching, since the Bible states only Sheep believe the Stories in the Bible, you have to admit you are a Sheep, and you might as well start acting like one, since you have no more common sense then one, and that is just what the Bible tells you, so do not shoot the messenger. So, now is the question, are you sane, or are you insane on purpose?

I might be Schizoaffective, but I am not Schizophrenic, so I am sane, because I do know the Difference. To understand what the Light or Darkness is, you must understand Electricity, Newton called this Trinity, the Father is the Positive 1 and Matter, the Son is the Negative 1 and Antimatter, and the Holy Ghost or Spirit of Mother Nature, is 0, or Ground. If God is the Light inside every Atom, and there are 3 types: Protons, Neutron, and Electron. The Electron is the only one of the Atoms that only has Darkness. The shell of these Atoms is made of Neutrinos. This is why Newtons wrote that God was the Force of Gravity in all his Equations, it was not to honor God, only ignorant people would say that, God is Light, the Light is inside all Atoms, and everything in the Universe is made of Atoms, thus made of God, therefore God created us from, well, God. Now that I defined God according to Kepler, Newton and Nikola Tesla, the greatest Wizards of all Time, tell me honestly, did you know this?

If your Reality about what is Black and White, or Light and Darkness, or even something as fundamental as God is different from the Wizards, why would you believe you have a Constitution, based on Section 8?

When only Congress is printing the Money, meaning the Banks are paid off, bow down, because you just witnessed a Miracle. If one section is invalid, the whole document is, and that is just a fact, no one can actually dispute, since you cannot amend them, when they are stated as in Only, meaning “The Congress”, not “The Privately owned Banked” known as the “Federal Reserve”, and Federal does not mean owed by the United States of America, we already established that the Bank is Privately owned, and has its own President, you know, the one ours reports to in the U.S., so Federal means it owns US. Do you have any rights under a Constitution that is Suspended?

No, do not act stupid like a Sheep. Why do People Pretend that the United States of Americas Constitution was Amended to allow the Banks to print the money instead of Congress?

Ignorant to what the Word Spelled Amendment means, as in Minor change, and not throwing out the very principles all the sections are based on. Who tells you the United States of Americas Constitution is Valid, when you know for a fact it is not valid, because it cannot be, since all the changes where Major, well that answer is in the Bible, it is the Person telling Half-Truths, Satan.

You say you have a Constitution, but can you prove it?

If the Bank prints the Money, who do you think the IRS works for?

You guessed it right if you picked the Federal Reserve, as well as all Courts, all the way up to the Supreme Court, and including the World Court even.

How do I know all this?

Its Public Knowledge hidden in plain sight, if you did not know before reading this, and still not sure, since your Herd has not Heard this, so research it, who is the Federal Reserve, since its owned by one, or at least once was, a lot of Corporations, including the U.S. Corporation, have a claim on it, and all this information is clear as I can translate or paraphrase it.

Let me cut and paste from the Federal Law posted on the House's website, from the link above, from the Enumeration of Powers:

First. To adopt and use a corporate seal.

Second. To have succession after February 25, 1927, until dissolved by Act of Congress or until forfeiture of franchise for violation of law.

Third. To make contracts.

We already covered the forth, which is just Sue, so what else can I say, that Corporate Seal, is called the U.S. Seal, and we adopted it by force, back in 1861, when Lincoln purposefully started a War swearing to Free Slaves, he purposefully created Slaves out of the whole Nation, and using Treason to do so, which he was Executed, but after making the Militia Outlaws in their own country, made them Targets after that Legal Execution, of the Treasonous Trader Abram Lincoln.

Booth died of Old age by the way, History always has two sides, and I was on the side that lost, it was called “The United States of America”, I believe Booth’s grave is in Weston West Virginia, it was named after my Great-Great Grandfather, Weston Flesher (Fleischer).

Let us look at someone's summary of the United States of Americas Constitution just to be Clear:

Article I

Describes the organization of Congress and lists its specific powers, known as enumerated or delegated powers. Through the necessary and proper clause (also called the elastic clause), Congress can make laws needed to carry out its enumerated powers. Article I also list the powers denied to Congress and the states.

Article II

This article deals with the executive branch and describes the election of the president (and vice president), the qualifications for holding the office, and the procedures if a president can no longer serve. The powers of the president include serving as commander in chief of the Army and Navy, making treaties, and, with the "advice and consent of the Senate," appointing ambassadors, officials, and Supreme Court justices. The president is required to periodically report to Congress on the state of the union, can propose legislation, and can call Congress into special session.

Article III

This article established the Supreme Court and authorizes Congress to establish lower federal courts. The types of cases the courts have jurisdiction over are given, and a provision is made for the right to trial by jury. While not specifically stated, the power of the courts to declare a law unconstitutional is implied.

Article IV

The full faith and credit clause require that the legislative and judicial actions of one state be honored by the other states. Additionally, a citizen of any state has the same privileges as citizens of all the other states. Article IV also provides for adding new states to the union, guarantees each state a Republican form of government, and ensures protection against invasion or domestic violence.

Article V

The process for amending the Constitution is described. The states are responsible for ratifying amendments.

Article VI

The Constitution, the Laws of the United States, and treaties entered by the United States are the supreme Law of the land. This is known as the Supremacy Clause.

Article VII

Approval by conventions of nine of the states was required to ratify the Constitution.

Most people are duped by the Word Spelled "Ratify", that does not mean you can add amendments that make major changes, that is called Treason, and why the Militia Legally Executed Lincoln, before becoming outlaws in the Country they defended since 1776 to 1861, when they Lost it to the Bank, now known as the Federal Reserve, and Federal is meant to fool you into believe it is part of our Government, all because Lawyers and Religious Leaders got into office, and committed Treason.

The Constitution also gives its Citizens the Right to take back a Corrupt Government, President Bush Jr, made that Treason by Executive order, I can still remember watching that on TV, thinking, they are

admitting we do not have a Constitution, but do not get upset about that, it already was, for some reason he just wanted to make sure you knew that, and why is clear, like President Clinton said, there is no Freedom, and the crowd cheered, it was kind of like that scene from Star Wars, when the Sith took over the Empire, because this means that the Government is protecting itself from Treason, by making that Treason, it is a circular argument where no one wins, its Treason to make that Treason, but the treason starts at the Oath of Office, you are sworn to Protect the Constitution, how is that possible, if its Suspended due to Treason, and Lincoln was Legally Executed, and sure he is the Banks Hero, but not the Militia who took an Oath to defend it from Enemies from within, also known as Lincoln (Satan), so the Treason starts when anyone takes an Oath of Duty to Defend the Constitution, and that includes me, and this is how I defend it, by Educating Stupid or Ignorant Sheep.

The Catch 22, or loop you get into, when you ask anyone a question about anything, chances are you will hear multiple stories, History wants you to believe the United States of Americas Constitution was Amended, when it was actually the U.S. Constitution, and U.S. is a Corporation, whereas the United States of America is a Country. Now we can debate U.S. vs United States of America in a loop forever, since most people think it is debatable, but it is not since it is a fact, but stupid people do not know facts, only theories about them.

This is not a Conspiracy, I actually served in the Air Force, from 1985 to 1999, when I was Medically Retired, and I was Honorably Discharged, with Medals, and now 100% Disabled, but during my active duty years, I managed to get a Meritorious Service Medal for helping to improve the (E)F-111, and bring it online a year in advance, just in time for the Gulf War, where it flew over 96% of the sorties (missions). I got another one while working overseas in the 31st Special Operations Black Knights Squadron as a Helicopter Crew Chief. I retired while assigned to the 66th RQS Air Rescue Squadron at Nellis AFB Nellis Las Vegas Nevada, and I have talked to many Enlisted, as well as High Ranking Officers, who all knew about this when joining, and like me, made sure to take the U.S. Constitution Oath, and not the Oath for the United States of America, the two are not the same, anyone that knows this, well they know it, the real question is, did you?

Now at this point, I need to let you know more details, and just the facts, the United States of America and its Constitution were put up as collateral in 1861 by President Lincoln, who was found guilty by the United States of Americas Militia, who were unable to get him into court, due to Federal Protection, also known as the Secret Service, or Secret Police, since all courts were taken over by the Federal Reserve by that time, they moved in and took over, and our President has been working for their Secretary, I do not think they can reach as high as the Vise President of the Federal Reserve, but they believe they can, ask JFK.

The good news is that nothing changes, it has been this way since 1861, the bad news is, it will always be this way, since no one wants to actually pay off the loan and get our Constitution back, most people knowing they are in the Matrix, would choose the Matrix and ask for an upgrade, everyone wants to be important, they know the System, and would rather be Part of it, then to be unplugged from it, they want to believe the United States Constitution could be Amended to allow the Banks to Own it, that is actually called Treason, and why they only pretend to, you ask them, and they will say U.S., and make you think it saves space, but we know this game, they swear to it, you take them to court, never get past the U.S. vs United States thing, and never get out of court, because this is what the Federal Reserve does for a living under article 4, so it is a Masonic thing, the first 3 degrees are Free, but the 4th will cost you, and they call that Freemasonry.

Let me let you in on a few rules, never talk about a Revolution, not even in jess, no joke or pun, the Federal Reserve owns all the Courts in the World, so who are you going to complain to if you could, the Police, Military and Government Employees, and everyone that works for money, works for the Bank, so who are you going to call, and a Revolution is Treason under the U.S. Constitution, so taking back a Corrupt Government, will only get a lot of people killed.

I did not teach you about the Truth, so you could get killed defending something that has been invalid 100 years before I was born, and I am pushing 60, so this treason has been going on for a long time, and water under the bridge by this time, besides being Treason to take back the United States Constitution, all you will get is the U.S. Constitution, till the National Debt is paid off, and I have to agree with this point, I am in the U.S. Military, they work for the Bank, so do I.

Why tell you, that is what you are asking yourself about now, and the reason is simple, the Truth can set you Free, not as in Freedom, the U.S. Constitution only gives you Free Dumb. True Freedom, gives you the right to know the Truth, and not have to pretend, like your little children, and if you tell the Government that the Banks prints the Money, and not Congress, the United States signed the Accord, so now We the Sheeple, need to Wake Up, and become We the People again, and we do this by paying our taxes, and by paying down our National Debt.

How do I know that the Church teaches Satanic Lies, because only Sheep believe them, they can tell their Sheep anything they want Legally, and keep in mind that Legal is a Copyrighted Word, and that means its owned by the Bank. Newton was in charge of the Mint, as few might know, and the reason if I have not made that clear, is due to Religion, and here is that loop, or Catch 22, or Psalms 23 in fact, I like that better, Sheep Tricks, jump through this hoop, Gold is inflated to meet the demands for payment on just the Interest on the Loan, not the Loan itself, and not to mention late fees, that are daily thank God, as in Only God we Trust, that is engraved on Money, imagine if it was hourly, multiply by 24, get it, it is a Scam. The Government borrows money from the Bank just to pay the Interest on the Loan, its tacked on to the end of the loan with a hefty refinancing fee, and you cannot pay back the loan with money you borrow, this is a Loop you will never get out of, nor wrap your mind around this contract, they will Kill you if you try to print money to pay them back, so all Presidents take the Oath, to the U.S. or the United States, I cannot tell you, since I do not know where their allegiance lies, I only know why dead Presidents tell no lies, only hints as to why they are dead, and only Dead Presidents are Printed by a Privately owned Bank, with the Words Spelled “In God We Trust”, engraved on it. It all comes down to Reality, so what is your Reality right now?

Did I have any Rights under the U.S. Constitution, no, but I did under the United States, but that is now Treason to take back, you have to buy it back, that is called the price of Free Dumb, thank Lincoln or Booth, your choice. If you are a Lawyer and trying to find a way to wiggle your tongue to cover the truth about the United States vs the U.S. Constitution, why bother, only Sheep will believe you now, the truth is hard to unread, once you see it, it cannot be unseen.

Did I convince you that the U.S. is just a Franchise Corporation for the Federal Reserve?

To get information from the Government there is a program called the Free-Dumb of Information Act, so FOIA the U.S. Government asking who prints the Money, and then check out the Powers of Enumeration in the US Code of Federal Law Title 12 Chapter 3 Subchapter 9 Subsection 341, you can find it at the website US Code House:

<https://uscode.house.gov/view.xhtml?path=/prelim@title12/chapter3/subchapter9&edition=prelim>. That tactfully says it all, also see <https://uscode.house.gov/> it has a lot more subjects you need to know about, like who owns the IRS, Title 26, and so on.

It is not my job to do much more then show you the truth according to the very people I am talking about, the Federal Reserve Law, and as you can read, it is Bank Law, with only 4 things you need to worry about, and the first is Sue and be Sued, knowing the Bank owns every Court on this Planet Bar None, this is a game that never ends, prove it to yourself, I cannot do that for you.

The Reason why the Banks are playing hard ball, is they know the truth about Johannes Kepler, Sir Isaac Newton, and Nikola Tesla, even about me, Jeffrey Scott Flesher, since I am working for them, and writing about the greatest Wizards of all times at the same time, so see what England believes about Sir

Isaac Newton by watching the 1 hour long BBC Special that aired in May of 2013, "The Last Magician", and keep in mind, that Magician and Wizard mean the same thing, in some contexts, but not all of them, and Tesla was known as the Last Wizard, as well as a Crazy Old Wizard, but the fact that even the Church believes in, but does not talk about to its Sheep, is the End of Time according to the Bible, and Calculated by Sir Isaac Newton in 1666, sure they talk about Revelations, but the actual Date this will happen, I do not think so, I revealed the Math Formula in my book "The Principles of the Trinary Universe", this can be found online, or your favorite book store, in Printed book, or ePub, as well as at the LightWizzard.com website, or Light-Wizzard GitHub Repository. The Word Spelled Trinary is another term for Trinity without Christ that Newton Proved was inserted into the Bible after the 3rd Century, leading some to believe it was not written till after that period, but Kepler was looking for the birth date of Christ, only to find he did not exist, only Jesus Bar Abbas, the leader of the Militia, who defeated the Roman Empire, by teaching this very story I just told you.

When you know for a fact that the Bank has been printing money instead of Congress since 1861, you do not need anyone to speak of the Validity of the United States Constitution, because you know for a fact there is none, and you know why, Money, and you know how: Lawyers and Religious people, and Money Junkies, and no one else but Satan would allow this, so the whole Nation of Americans are nothing but Satanic, so Satan has won, and there is no more Good People in the World.

Only Satan has to convince you that he is not Satan, and the Bible tells you how, Half-Truths, and Money is just a Lie, so why would you listen to anyone that uses it, you know they are Evil, and you know for a fact that over 96% of all Churches are ran by Gay Pedophiles, so if you go to church this is what you are Supporting, so do not ever try to make be believe you are Good People, when you are nothing but Evil Fools who are working for Satan, and only Satanic People would Defend Satanic Organizations like Churches, Law, and other Satanic Beliefs.

The Bible is very clear about the End of Time, it states there will be a Savior, who knows the Truth, but Satan will try to defeat him with his Satanic Army, and Satan created Weapons of Mass Destruction, pretending it is to protect your Nation, when its intended to destroy it, sending everyone to Hell, and only Satanic Sheep would allow its Government, to build or own such Satanic Machines, so it is clear to me, that there is no saving this planet, so it needs no savior, because there is nothing worth saving.

I write books to document how Satan took over, and how all the Sheep allowed it, and how Money became the new Drug, to a Nation of Money Junkies, who do the Bidding of Satan for Money, and pretends they are Good People when in fact they are Evil Sheep, who are way too stupid to understand just how stupid they are for allowing, and continue to live in Sin, instead of doing the right thing, Satanic People do the opposite, they cannot see the Light without Darkness, so they lie about being able to see the Light, when in fact, they can only see the Darkness, and only Satan lies about everything.

The Truth is that the Validity of the United States Constitution does not matter, since no one will ever tell the truth about it, since most people are Satanic, and do not even know it, if you believe in a Deity, you are Satanic, since that is a Satanic Belief System according to the Bible, and only Sheep would believe it, so the Bible is telling you a Story, and at the same time, its telling you that only very stupid people would believe it, because only Satanic People would believe it, and they would have to be Stupid, if they want to be Satanic, because that is Evil, and you will die an Evil Person for doing it, the Bible is very clear about who goes to hell, and as it turns out, it is those Satanic Believers, the Sheep in the Bible.

People that do not understand the Bible is only for Satanic People, should not be surprise to know that the Constitution is no different, if you actually did what it told you according to Newton that is, not the U.S. BS Constitution amended by the Bank that now Owns US like Sheep, just because most people are too stupid to understand anything they read, and Lawyers are Satan's Helper and as Evil as one can get.

Chapter 4

About the Founders of the Constitution

When most people think about the United States Constitution, they normally think about Benjamin Franklin, but he did not write it, in fact, when you really research it, you will find that it is just a modified version of the Magna Carta that was sealed by King John of England at Runnymede, near Windsor Castle, on 15 June 1215, that was edited by none other than Sir Isaac Newton, yet you will not find this information in many history books, because those in power or the Powers that Be, do not want its Sheep to know anything about Newton, or their game of pretending that the U.S. Constitution is the same as that of the United States, just so the Bank can own US like Sheep, without the Sheep even knowing.

Sir Isaac Newton was born on 25 December 1642 under the Julian Calendar, it was changed to the Gregorian Calendar in his time, changing his birth date to 4 January 1643 and then they removed 10 days, making it the 14th, and that is my birth date in 1961, and I am back in the Flesh, the Light Wizzard that is. My Cousin Isaac Newton, and Benjamin Franklin both Flesher's, and I inherited their notes, and I was lucky enough to have read them and understood them, and learned the truth about Christ, a Lie that only Satan would tell his Sheep, a Half-Truth is still a Lie, and the real truth about the United States Constitution, and how it was Amended, by just making it the U.S. Constitution, now that is a minor change, right, it is still treason.

Sir Isaac Newton, and myself, calculated the End of Time in the Bible to the same date, for Newton, it was in the Julian date on 25 December 2060, because they were still using the Julian Calendar in 1666, in the Gregorian Calendar it will be on 14 January 2061, on my 100th birth date, if I live that long, I am running out of organs to remove, and cancer is still an issue, but I am stubborn, and I only have 40 years to wait to prove if I am right, if I am wrong, the Earths Magnetosphere will diminish to the point, that by the year 2103, it will not hold in our Atmosphere, nor will Gravity work the same, the calculation is based on the date Earth should Magnetically realign its poles, and that is already in progress now. The calculation can be done two ways, one is to take $1/137^{\text{th}}$ of the Suns Diameter, $(864,575.9 * (1/137)) / 3 =$ the Maximum year 2103, and taking all the magnetic force readings since the year 999, you can calculate its rate of constant magnetic force diminishing to the year 2103, verified by many scientist around the world. The Math is you minus 42 years, the Universes answer to everything number, turns out that decimal 66 is 42 in Hex, and this is Witchcraft. The End of Time is just that, the stories about it, may be history, but most of it was just written for Sheep.

The Facts, the Earth will go into an instant Ice Age, and most life on the Surface of the Planet will freeze to death instantly, this will not be a fast event, like in seconds, it will last about 3 to 6 minutes, at which point, you have little to no Magnetosphere, or its protection, till the field builds up to 100%, you can find that time by taking $1/137$ the diameter of Earth, and divide it by 3, during this time the atmosphere will vent into space, hence the instant Ice Age, and the Science is sound, and verifiable, so please do so, do not take anyone's word for anything, this is not that difficult to research.

Who is of Authority, and what is an Authority, who, starts with you, that is what everyone should know, and it starts with you, yes you the reader, or listener, so do not assume that the Government knows the Truth about anything, they only know what the Federal Reserve wants them to. What makes me an Authority on this Matter, that is simple, I am one of you, only I am the Author, and you are the Listener, I have not dictated how you should think/believe, or what you should think/believe, in fact, all I wanted you to do, is to get you to think, and stop believing in things you cannot prove, and to figure out who the Authority is, when it comes to knowledge we use every day, and that means people I call the Greatest Wizards of All Time, Johannes Kepler who founded the Ashkenazi Masonic Order with Tycho Brahe, and it was passed on to Galileo Galilei, he died the same year Sir Isaac Newton was born, and he was the head of the Order till his death, and then Nikola Tesla, and my Grandfather and Grandmother, then me, so that is my Authority. Newton said he was a descendant of Jesus Bar Abbas, and I am a descendant of Isaac Newton, who also fixed our Constitution, and it ended up with Benjamin Franklin, who added that nasty

part the South insisted be put in as Section 8, rightfully named, Section 8 is a category of discharge from the United States military, used for a service member judged mentally unfit for service, Section 8 was also often given to cross-dressers, homosexual, bisexual and transgender people. I am also a descendant of Benjamin Franklin, go back far enough, and we are all related, so do not make much of it, you the Reader, are your own Authority, and never give that up to someone else.

I have literally been around the World, so I do not believe in the Flat Earth Theory, I know Light has No Acceleration, so I know it is not Dynamic, so I do not believe in the Godless Dynamic Universe of Einstein, not only has it not been proven in over 100 years, but it cannot be true, since Light is Not Dynamic, so I prove everything I believe in to myself, and the Logic must be logical. God is the Force of Gravity, which means it is in the Atoms, because that is where the Light without Darkness is located. Once I understood that God was inside every Atom, and everything is made of Atoms, and Tesla said Light is Everything, and now you know why, he also said we are Light Beings, and I am not Religious, and God is not a Deity, God is Light without Darkness. You must decide what God is to you, I can only tell you what God is to a Wizard.

I must point out, that all these Wizards, including myself, are Autistic in the high functioning spectrum known as Aspies, and they all have a very high IQ, as I found out in 2000 when my father called me on my 39th birthday, and told me that I was tested in the 3rd Grade to have an Adult IQ of over 180, he himself made the newspaper as having the highest IQ in the United States out of High School, so it runs in the Family, the Ashkenazi Family that is. As an Aspie, I do not think like normal people, I have no social boundaries when it comes to telling the truth, and I hate to lie about anything, and like most Aspies with high IQ's, I am not arrogant, nor do I have an Ego to feed, and yes, do not ever interrupt me or I will have a Meltdown, and I am rarely wrong, it was just the way you took it, that made it seem that way. So if you wonder why I write like this, please read Kepler, Newton or Tesla, and know that these are the people I learned from, and I write more like them, then I care to admit, but unlike them, I was married to a Normal Woman, meaning Neurotypicals, two of them, 20 years each, and I am still married and counting, so I know how NT's think, well most of the time, my emotions run at a different level than most people I have met, other than my real family, me and my sister are very close, a year and a half apart, other than that, I grew up around NT's, and had to learn to blend in, and that was never easy, I had a hard time understanding a lot of NT humor, and sarcasm, and I still have a hard time believing anyone can be that stupid.

The reason why most NT's never got Kepler, Newton or Tesla, was because they did not understand Aspies, but Einstein was also one, and no one could understand a Theory where Light is Dynamic, knowing it has no acceleration, yet people who think Tesla did not understand Einstein are stupid, and stupid people and Sheep are the only ones that believe in Einstein, after 100 years with no proof, you would have to be insane to believe in that theory of a Godless Universe, knowing Kepler, Newton, and Tesla's work, is all based on God being the Force of Gravity, so you cannot use there Math in the Dynamic Universe, it will not work, since the Newtonian Universe is Static, that means all of their Math is also based on Static Light.

If you believe in Einstein's Theories, then you are not intelligent, in fact, you are insane for believing in something that is not the truth, and you cannot debate that, Light is not Dynamic, and no one can argue that point, so Einstein is wrong in both his Theories, in the first, the Universe was Static, and Light was Dynamic, hence the name Dynamic Universe, then his second special case Theory, put the Universe as Dynamic, and again, Light being Dynamic, and that is just Stupid, and makes no sense to anyone that is intelligent, so Einstein could not be any wronger, on both counts, since Light is Static, and the Universe is Dynamic, it was a combination he did not have a Theory for, and why no one will ever prove any of his theories, and why even Einstein denounced his own theory in favor of God as the Force of Gravity. Believing in Theories is called insanity, it is like believing in fairy tales, so if you cannot wrap your mind around Physics you will never understand the Constitution. I will now ask you a few questions to prove my point, just answer them on the honor system, and I will try to be clear about what I am asking.

1. What direction does Light Move? Think Flashlight, does Light move away from it or?
2. About how fast does Light Move?
3. Does Light travel in a straight line forever?

The First question is a trick question, since I already explained to you that Light is Static, so when you turn on the Flashlight, the Light does not move, it is the Universe that is Dynamic.

The Second question is also a trick question, the real question is how fast is the Universe moving, and the third question is that Light follows the same basic physics as any Electromagnetic Fields, so no, it just has an arc of about 16 Billion Light years, so it appears to be straight, and to travel on forever.

If Reality is not what you knew before reading this, it makes you question why the Wizards must be right, and everyone else is wrong, is a valid question, but remember that Kepler found out that Christ was inserted into the Bible, when he went looking for the Birthdate of Christ, only to find Christ was inserted into the Bible, to make Jesus Bar Abbas out to be the Bad Man for taking down the Roman Empire, and if you fell for that, you are a Sheep, Psalms 23. Now you need to reevaluate your whole Reality, why did the Government Lie to you, oh yea, because of the Christ thing, so they made Newton out to be the Antichrist, see the BBC Special the Last Magician aired in May 2013:

Once you understand Newton, you will understand the United States Constitution, since Newton wrote it, and then Benjamin Franklin Amended it, although History does not talk about this link, since Newton has been Banished by the Religious people, replaced with Einstein's Theories, and people that do not believe God Exist, or does not Physically Exist, as in God is a Deity, it is those people that do not want you to know anything about Newton the Wizard, because then you know that Religious people are Satanic.

The reason I know, is because my Great-Great Grandfather, went to England before Newtons death, and collected a copy of his notes, and the Magna Carta, that he said he fixed, so compare the original to the United States, and note the differences, that is a little Newton, and Franklin, as well as others. My Great-Grandparents came here as Crew aboard the Ship named "The Phoenix", in 1752, he sat with the Captain, and talked about the new World, and the new Constitution, that required a Revolution, but because of one clause in Section 8, the War is lost at the stroke of a Pen.

When most Americans that claim to be experts hear this for the first time, they will deny it, and call me a Liar, then they will have to prove it, then they ask for my apology, so please, let us skip this step, research first, compare the United States Constitution to the Magna Carta, and now you know the whole story of why you did not know this before, the Religious Sheep that want to believe God is an Angel, instead of the Light without Darkness like the Bible States as a fact, are Satanic Liars.

I can make you question your very belief about the Constitution, using only facts, because this Country has been taken over by the Satanic Bank, and that is a fact, and to deny it is insane, and to believe the United States Constitution could be amended to allow this is Treason, and Lincoln paid the price for this, but the Banks that Own US like Sheep, do not want you to know this, so they make Jesus Bar Abbas out to be the Bad Man, and the Sad Man, just so Christ can make Money less Evil, as if adding only the Love to it makes it less Evil, a Lie is a Lie, the Bible was altered to make you believe Money is not Evil, but Bar/Abbas is, and they want you to believe there are two Jesus's in the Bible, when that is insane, if they tell you Jesus was a Common name, they are Liars, because in the Roman Records, Jesus Bar Abbas exist, but no other Jesus's can be found in that time period, so they are Liars, the Church Murdered Bar/Abbas, do you think they want his-story to be resurrected?

Kepler stated that true Christianity was the Study of Stars, and Newton wanted to go back to those days, but the Church at that time would still not allow it, so Newton, like Kepler and Galileo, had to deal with the Church and its Evil influence on Society, the Wizards knew that the Church only taught Satanic Sins, like using Money, and some BS about Adam and Eve, if you believe they were the First Humans to have Lived, you never read the Bible and are fools for believing you did, the Bible is actually called the Torah, it is a set of Canons, each being larger than the condensed version of the Bible most people know, that is about the same size as the smallest Canon, so the people who study the Torah know the names of Adams and Eves parents, I do, as did the Wizards, I named my first born Mary Melisa, Mary was Adams first wife, who had a Daughter named Melliza, I used the Scottish spelling, as I did my second Daughter Devyn, after one of Mary's Sisters, according to Kepler it was spelled Devon, and there are also Stars with those same names. When I talk about the Bible, I am talking about the one Kepler found, that came before the third century, and did not contain two Jesus's, only one: Bar/Abbas, and he was the Hero, and Freed all the Slaves, that were force to work for Money, and punished if they had none, so Society today is backwards, it is just like the Roman Empire again, and all because of the Church that inserted Christ into the Bible, just so they would not have to Work, and could brainwash people into believing that being a Sheep is a good thing, only sick evil people will try to recruit you into their Religious Cult, and ask you to Murder People that do not believe in your version of God, and by the way, Send them to Hell, means Burn them alive, and all religions are the same, they demand all their followers, also known as Sheep, to Murder anyone that does not believe the way they do, and that is Evil, and by the way, the Bible is written using Witchcraft, so Evil is just the backward Spell for Live, so if you have Money you can Live, without you Die, stupid people think, Money Good, No Money Bad, but in reality, it means Money is Evil, because you die without it, and that means you require it to Live, forcing you to make Money, and that is called Slavery, and now you have to Worship a False God known as an Angel, only for Sheep mind you, stupid ones at that, because the Bible tells you Satan tells only Half-Truths, and that is the Church all the Way, God is a Deity that does not Physically Exist, sound familiar, all Religions war based on a Deity and not how the Bible defines God, now listen very closely, God is All Light without Darkness, remember Half-Truths are Lies, and only Satan Lies, and I do not Lie, at least not knowingly, or when it counts, and like Newton, I do not like to write about things I cannot prove, because I hate to write lies, or get caught writing about inaccurate details, being dyslexic I tend to get things backwards at times when I write them down, reverse logic even. The Study of Stars is what most of the Stories in the Bible is all about, it is based on the Zodiac, there are 12 Signs and Symbols with Dates that match a time period, each period is 2012 years long, like the Mayan Calendar and for the same reason, the coordinates are used to set the placement in our sky, using the Great Pyramids as the Time Zone Line for the prime meridian, and not Greenwich, you will find this

very useful for ages of people over 100. The Bible or Torah make no sense without the Zodiac Canon, but the Church removed it to hide the fact that it is all based on Stars, and not People that live for thousands of years, and knowledge is power, and why Public Schools only teach Stupid.

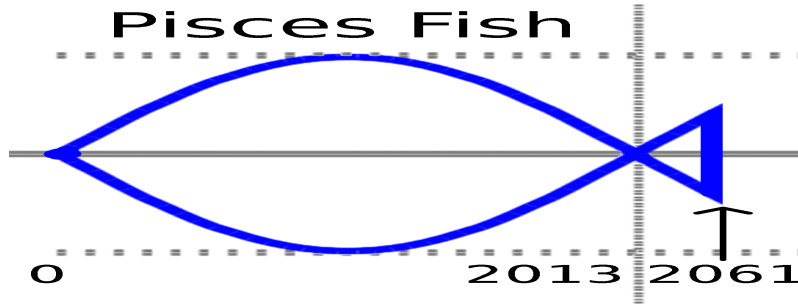

#	Sign names	English Translation	Symbol	Dates	Celestial Longitude ($a \leq \lambda < b$)
1	Aries	The Ram	 	21 March - 19 April 22143-24155	0° to 29°
2	Taurus	The Bull	 	20 April - 20 May 20130-22142	30° to 59°
3	Gemini	The Twins	 	21 May - 20 June 18117-20129	60° to 89°
4	Cancer	The Crab	 	21 June - 22 July 16104-18116	90° to 119°
5	Leo	The Lion	 	23 July - 22 August 14091-16103	120° to 149°
6	Virgo	The Maiden	 	23 August - 22 September 12078-14090	150° to 179°
7	Libra	The Scales	 	23 September - October 22 10065-12077	180° to 209°
8	Scorpio	The Scorpion	 	23 October - 21 November 8052-10064	210° to 239°
9	Sagittarius	The Archer	 	22 November - 21 December 6039-8051	240° to 269°
10	Capricorn	Mountain Sea-Goat	 	22 December - 19 January 4026-6038	270° to 299°
11	Aquarius	The Water-bearer	 	20 January - 18 February 2013-4025	300° to 329°
12	Pisces	The Fish	 	19 February - 20 March 0-2012	330° to 360°

To understand Pisces, you need to know the Sign wave of Electricity, and note this, in 2013 we move into the Age of Aquarius, the Water-Bearer, this is the Ice Age, they say a picture is worth a thousand words, well this image will prove that whoever wrote the Bible, knew about Electricity, and that fascinated Newton, as much as it does me right now, but this was hidden by the Church, just so they can hand out the plate and ask for money, and it is all Tax free, so the Country is paying for the Church to teach everyone about Satan, so they can be good little Sheep.

This Zodiac Table, proves that whoever wrote the Bible, knew what it was like to live through the Earth's Magnetic Pole Shifts, and they mapped it out, in relationship to where we are in terms of a Frequency, as we travel around the Galaxy, so they knew about that also, and that we travel in a Helix pattern around the Galaxy, so this is such an amazing thing that the Church is hiding just to make Money, and that is Evil, and that is why Newton was so mad about Religion, and the teaching of Christ.

Each Zodiac is 2012 years long, and our Gregorian Calendar was written to match it perfectly, year 0, means the year Jesus Bar Abbas was born, this was on 25 December, and you cannot change that date, but

the Gregorian Calendar did, and Newton did not like that at all, and it is because most Fake Jesus's, believe that day is still the same, but under the Gregorian Calendar it is on 14 January, so look at the Fish.

On 14 January 2061 is the calculated End of Time from the Bible, using the Bible Code to figure out the math equation, and you can now see where the Fish came from, it is an Electrical Wave form, mapping out the Magnetic Pole Alignment time, but the Church thought it better to Lie about it, proving they are Satanic, imagine that, Good People that were Lied too, just so they could believe in Satan, and that is why Religion makes me as sick, as it did all the other Wizards, that had to live in fear around those Satanic Creeps.

If you want to know the truth, you need to figure it out yourself, people that have changed their minds about Reality, by answering 3 questions, have the concept of learning new things, that are actually very old things, that they were never taught, and now ask yourself why, and you have your answer, the Powers that Be, call it the Federal Reserve, the Bank, the Church, or any other Organization, that is not telling you that the United States Constitution has been Suspended for over 100 years before I was born, all because they know that they cannot build a shelter to save everyone, so they are building underground Cities around the World, for only the Rich and Famous, and if you are Religious, and think you are a Good Person, and that the Church is Good, you never actually read the News do you, if you did, you would that over 96% of all so called Teachers of God, teaching you God does not Exist is Insane, but these are all known Pedophiles, and the Church is now gone Gay, so you know most of them are Gay Pedophiles, but Believers of things that do not Exist means they are also Fools, and those Cities will become Graves when the first whole Earthquake happens, the entire Planet will feel more than a 10, all at the same time, whole cities will just vanish, there will be two 1,000 foot tsunamis, that will reach inland about 300 miles, and maybe as high as 14,000 feet in elevation, that is how that Salt water Lakes got there, and it will hit both sides of the continents, and as the Magnetosphere collapses its field to reverse it, our Atmosphere will be venting out into space, and the Oceans will begin to freeze in a matter of days, in a month the Oceans will be frozen a few feet thick, in 3 months it will be 6 feet thick, and stay that way up to a thousand years.

These Underground Cities already exist, I call them Graveyards waiting to happen, and all your Money, is going to be in that graveyard, under miles of Ground, and 6 feet of ice, and this is when the Humans on this Planet learn a new lesson, what you call Oil, I call the Blood of this Planet, it is what makes the World go around, without it, it will grind, and go Nova, and it is depleted to the point, that I have no clue as to if it will be enough, to cushion this ride, so it will be rough, that means Earthquakes.

I have had dreams, where I see the End of Time happening, I see the Water of the Ocean rise higher than the tallest building, cities in the Sand disappear, even the Great Pyramid is buried in sand, I saw all the cities just vanish into rubble, I saw the Oceans go inland, and wash out all the lower lands, and then I watch the whole Earth freeze over, your dreams may vary, but mine have been recorded before by others, but maybe that is where they came from, the Bible.

As I am writing this, its July the 4th, as I sit here writing, my wife went down the Mountain into the City, to be with our 2 Daughters and 3 Grandchildren, I am still recovering from my last few operations, and someone needs to stay with our two dogs. The 4th of July is just another day to me, I know for a fact we have no United States Constitution, so why celebrate the Farse of Jew Lie, to be reminded of all those people who fought and died during that War, just so Lincoln could sell US out, and the Citizens allowed it,

and it is a Jew Lie, just like the Holy Cost, the Zionist Jews vs the Ashkenazi, and Zion won, but I am Ashkenazi, and Zion broke that Tribe up, into the Ash, the Ke, and the Nazi, and turned them against their own kin, and why my Family moved from Germany the day the Zion Jews moved in. The Cold War, was about building a Wall, and breeding out all the Ashkenazi, thinking that would make them more Intelligent, then they moved to Israel and built another Wall, Zionist never change, and the Ashkenazi are not welcome, but the Nazi are, they are the ones that won the War, and my side lost it, so no reason for me to celebrate a Jewish Holiday, Zionist look at this day, as the day Lincoln the Nazi, meaning you can see the Darkness in him, he is Nazi, and the Civil War in 1861 was the Second Reich.

My Grandparents both worked in the Pentagon in 1940 something, maybe 30 something, they came and went at different times, but they met there, and soon got married and had 3 boys, my Grandmother worked for Grumman on Swept wing Aircraft, like the (E)F-111, which one of her sons, my Uncle Dickey, (Richard), worked for General Dynamics on it, and fixed a problem in the stab, and then I joined the Air Force and improved it by 30%, funny how that worked out, then it flew mostly all the missions during the Gulf War, and I got my Second Medal, my First one was an Excellence in Competition Medal, it is a Congressional Medal, giving to 12 People that shoot over a specified score, that year, only 11 got a Medal, this is all Military around the World, less than a percent get it, making it the rarest Medal in the Military, and the only one you can wear on all uniforms. Both Grandparents had high IQ's, and both were 33 Degree Masons, after my Grandfather died in 1964, several crew members other officers he was assigned with started to die, my Grandmother said it was an Atomic Submarine accident, Nimitz was the last to go in 1966, he was the most stubborn of all of them, and a great man, I have a picture of him holding me as a child, my Grandfather taught Naval Warfare out of Norco California, from 1948 till his death in 64. He was reassigned after finding out about a plot to start WWII, it involved blowing up a wing in the Pentagon, and blowing up a building in New York, my Grandmother told me after 9/11, that was it, he knew about it, and did not want anything to do with it, so they moved him to Norco, but he talked to other crew mates, and one by one they die off. The United States Constitution does not allow any Wars off the Continental United States, and all States had to touch by Land, and that could not be Amended, nor changed, it was our Philosophy, we got it from China, we do not invade, we do not conquer new lands, unless they touch our Land. The U.S. Constitution on the other hand, is owned by the Federal Reserve, so what do I care about it, sure I have to Support and Defend it, and I do in my own way, having two Constitutions to Honor, is a Conflicting matter, to say the least, but Nimitz said stay the course, and that is what I am doing, holding the course, but what course is this you should be wondering. Reality is a hard word to understand, before you start to read this book, did you reality change, or did you know this already, or maybe you are a Sheep, that means anyone that believes in the Bible Stories, and that is what the Bible calls them, I see no reason to change that course, so Sheeple are none believers in the Ways of the Wizards, they have their Reality, and the Wizards have theirs. What Reality you pick, is really only up to you, so choose well, your life and that of everyone you know depends on it, it is not like you can just ride this out for 40 years and hope for the best, that is called Suicide, and I really am not that type of person, if that is your plan, I just hope the rest of the Human Race does not do the same, if Newton is right, and so far he has never been wrong, Einstein on the other hand, given a $50/50$ chance, he got it wrong both times, and in that reality, all you have is one Paradox after the next, so it is not a reality at all, just an Acid trip gone wrong, but that is the choice you make if you want to believe in Paradox's.

I make Light of coming back in the Flesh, because, well that is my Name, and Jesus did say he would come back in the Flesh, and I find it more than Odd, for a Fellow like me, to be born on 14 January 1961, when the United States Constitution was lost exactly 100 years prior to that date, and the End of Time is exactly 100 years after that date, so if there really is some Spirit that is going to come back in the Flesh, at the End of Time, it would only make sense they were born on that date. My Grandmothers: Eula Newcomb/Flesher/Knotts and Niva Robertson/Huggins, always told me this story, and told me in this Story, I was going to have to play Jesus Bar Abbas, you can understand growing up, why I never repeated

this story to anyone, I mean who wants to be Bar/Abbas if you are Religious, but if you are not, it is actually very cool, being the Leader of the Militia, and leading all Gods People into the Highlands, to build a new Pyramid, that will generate enough power, to power a Nation, and enough rooms to house millions of people, and other animals, much like Noah's Ark, only that was actually just a sperm bank, they were much more advanced in the old days, then we are now, and I can prove that.

About the Founders of the Constitution, all of them would Bitch Slap everyone in this Country for being such Fools, and Stupid Fools at that, Greed, the worst of all Sins took over, and Money is the Sonification of Sin, and what is Evil, and that is what Religion is pushing when they decided to insert their Lies into the Bible, and call it Christ, and the Antichrist is actually the person who does not believe in the teaching of Christ, and the Teaching of Christ is Satanic, because Christ never Existed in History, but Bar/Abbas did, and that is because the Bible was written before the 3rd Century and the Liars, or Satan's Helpers, are trying to take over the World before the End of Time in 2061, and it looks like they will win, thanks to Religion and Money, about the Founders of the Constitution, they would not like this at all

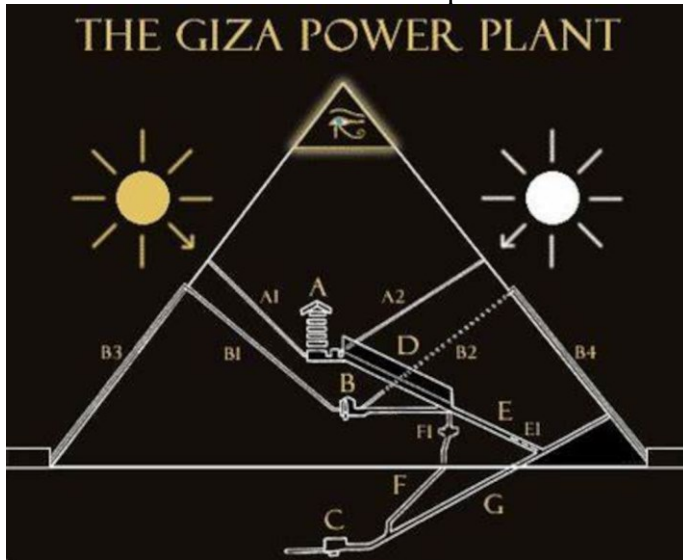

How can a person believe in a God they know does not exist, knowing only Satan would teach you that God did not Exist, and the answer is Simple, God does not believe in Money, but Satan does, so the Souls of those People who believed God did not exist, those people are everyone that is Religious, and do not believe in God, the All Light without Darkness God, not the Pretend Angel or Spirit, those are what Sheep believe in, and only Sheep would Kill another Sheep because the Other Sheep wanted to believe God was Real and was really the Light without Darkness, but Sheep will not Hear that in their Herd, so they will Kill all that do not believe that God does not Exist but as a Spirit or Angel only, so Satan is all the Herd ever heard, and Sheep are nothing but Stupid Animals, and only Stupid Animals would want to be a Sheep, and believe in Stupid Stories only Sheep could believe in, and about the Founders of the Constitution, they believed God was All Light without Darkness, but not Religious Sheep, they believe God does not exist as Light, but as an Angel or Spirit that does not exist, and that is just insane, proving that Religious People are either Retarded, or just insane, but that is how Satan works, and how Satan's Helpers help Satan, and Religion is the way to sell your Soul to Satan, all for Money.

The Human race only has about 40 years till the End of Time, and that is not enough time to save the Human Race from Satan, so why try, let Satan take all your Souls to Hell with Him, and Live there for all Eternity, all because you want to believe in a God that does not Exist and use Money that is the Root of all that is Evil, about the Founders of the Constitution, they would not be happy about this, not only did Lincoln sell the Country back to the Bank that once owned it, he did it for Chump change he never got a chance to spend, Treason, Hole in your Head, that tends to make the whole Treason thing, not such a good idea, but Lincoln was a Racist, he hated White People, so it was worth him going to Hell just to send all the White People there with him. Humans are a funny Animal, they believe they are too intelligent to allow Satan to take over at the End of Time, when in fact, they may have never heard of it in their herd, so Sheep are even a funnier Animal. When the World finds out all the Satanic People will Riot, they always do, Satan knows nothing but to Rape, Pillage and Plunder, that is the Satanic way of Moses, the Destroyer, so it is the way of all Religions, Bar/None. The Bible is very clear about Money being the Root of All that is Evil, all Bibles before the 3rd Century that is, anything new is all Lies, so it is nothing but Satanic, and only Satanic People Riot, or Protest, that is Satanic Activity. The Government is nothing but front for Satan, who has planted his Bombs on your Land, and has remote switches to send you to Hell if you do not do the bidding of your Masters the Federal Reserve, so it is End Game for all its Citizens, all Consumers that are no longer required, all Sheep that have lost their way and Found Satan, and believed as Satan wanted his Sheep to Believe, and being Dyslexic, Satan and Santa are easy to get confused, since they are the same person, much like the two Jesus's in the Satanic Bible, that all Churches use, to teach their Sheep how to be Satanic, and feel good about it.

Chapter 5 *Beyond the Constitution*

The Great Pyramids are Power Planets, they are not Tombs, and who ever graffitied all over them, did not build them, in fact, it was millions of years earlier. You can rebuild them, the base of the Pyramids goes down for miles, they are made of Stone, like the pyramids, there are miles of underground tunnels and homes, and there are Air shafts, the whole city is underground, the Pyramids where the highest structure on the face of the planet, everyone lived underground for millions of years, and some still do, and they also have Aircraft, we call them UFO's, but they are not from another planet, just another evolution, and there is a very good reason for this, and if you ever read the real Bible, you would know this, Adam and Eve were the first interracial marriage between two tribes, the Ash, and the Nazi, Adams first wife's name was Mary and she was from the Tribe known as Ke, and the Bible is very clear about what happened, the real one that is, Cain killed Able, to kidnap his Wife, and his sisters, and ran off into the desert, and was forever banished to live underground again, so he was banished to live on the Surface, so do the math, we all descended from those that were banished from below, sure Cain called it Hell, and that is because he was not allow to mate with is Sisters, nor their Children, that was forbidden, and for a good reason, the children become retarded, the majority of Surface dwellers are still retarded, it is not common for any Neurotypicals to have an IQ over 70, 50 is Retarded, and they are adjusting that scale all the time, just so people can pass school. I have met few NT's that have an IQ over 100, this is not an average, in fact, only about 10% of NT's make it this far, and most people with an IQ over 120, are normally always in the Autistic Spectrum, and it is not that uncommon, in fact, it is more common now, then in the past thousand years, more Aspies born that achieve IQ's over 180, not rare in fact, and why people like me are very common nowadays, it is the End of Time, and the Wizards are coming alive to prepare for it, but most of them were raised on Einstein's theories, and believe in them, silly Sheep, Theories are not Real, but the Pyramids are, and they are Power Plants.

I found this on the internet from a public domain site and see no reason to alter it.

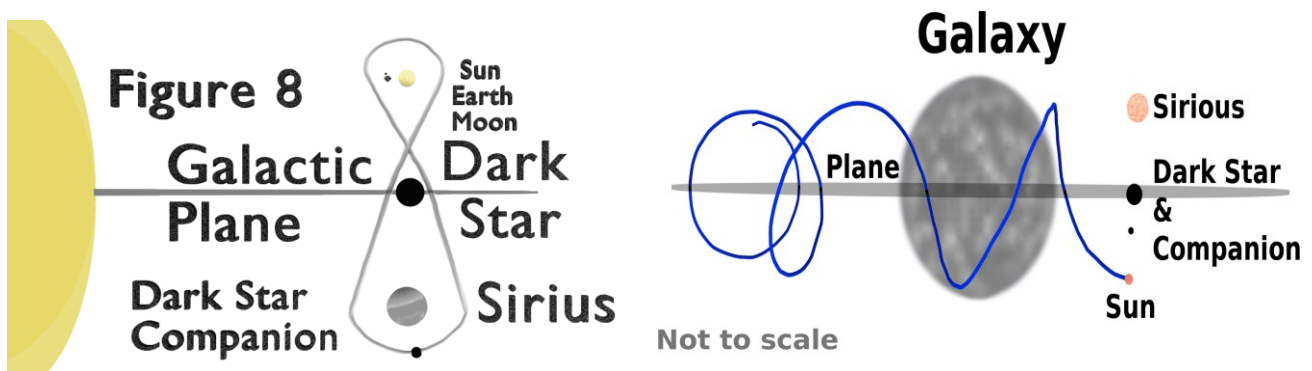

This is how the Pyramids work, salt-water is gravity fed up to the base of the Pyramid via underground stone tunnels seen as "C", this feeds into chambers via "F", into boilers (Queens Chamber), so it can be turned into Steam, and does not need to be pumped up into the Harmonic Resonance Chamber "A", where it travels down and water is broken down into Hydrogen and Oxygen, and that is separated via "A1" and "A2", and there used to be White Stone on the outside, till Moses, the Dark Wizard, destroyed the Pyramids, by stealing its Stones, and Gold, that was used to conduct electricity, and other medals used to pipe the Oxygen and Hydrogen to underground cities, and then he destroyed the underground tunnels leading to Paradise, because Surface dwellers are not allowed in.

The Followers of Moses are Satanic, they have children sacrifices to the Gods to this day, and that belief is in many Religions, in fact, all of them in some form, the Muslim think it gives them the right to Murder people who do not believe as they do, a common them in every Religion, they are all Evil, only they do not see their Reality that way, all Bibles that are written to this date, have the Kill anyone that does not believe clause in it, and I have no idea how they get away selling Bibles to Children, and making them Read it, its Satanic, why in the World would you give your child a Satanic Witchcraft Book?

The problem with the Hollywood version, is that it is Satanic, and this is the real deal, only Satan tells half-truths, also known as lies, and lies are easy to detect, if you know what you are looking for, for example, a Witch or Wizard are two different types of People, a Witch can read and write Witchcraft, a Wizard knows how to decode the Bible Code, together they can decode the Bible, but it takes two of them, in case a Knights Templar caught one of you, they could not decode the Bible without the other. A Witch is not a Gender, nor is a Wizard, throughout written history, you will find Male Witches, as well as Female Wizards, because in history, it often worked out that they were married, and the Female is always better at Communications, and Male better at decoding things, although I have met some Female Wizards that are very good at that, and I have never been a Good Witch, they are normally always females.

When it comes to an Advanced Society, how are you going to know what one is, unless you have seen one, so let me explain Physics, our Earth is about to shift its poles, and no one, not even Newton could calculate a new one, if you ask me, I would believe 33 to 66 degrees, and yes, those are Masonic numbers from the Bible. We know for a fact, that our Magnetosphere is winding down at a constant rate since 999 and will wind down to nothing in 2103, and that is a bad thing, we hope the Magnetosphere will reverse, this actually only takes 3 to 6 minutes, but it takes years to see the effect, much like the sun, only much faster, since its period is measure in decades, and the Earths is in a very large number, I calculated it in the Principles of the Trinary Universe, but if you take $2012 \times 12 \times 66 = 1,593,504$ years, for the last 33 to 66 degree shift. A Full 180-degree shift, only happens once every so many Millions of years, and only at the very outer edges of the wave form we ride on, to understand this look at these two drawings I made, they are not to scale, the first one show we travel in a Figure 8 through the Galactic Disc, currently we have just crossed it about 3 million years ago, and the Great Pyramids are older than that, since that is how they survived the last crossing, it is a long journey, and a very cold one, and you get hit by all kinds of stuff, not safe at all despite the Stupid Sheep Reports that it is. The Sun and the Binary Star Sirius, shown as one object, the orbits of those two is to strange to try to draw, and confusing when showing their paths, and in reality, they affect our Sun in a very predictable way, they cause its precession, and have more to do with our tides, than you might believe, as it also regulate the speed of our Moon, this is also in a ratio of our Earths Diameter, as it grows, it pushes the Moon away at the same distance, thus Sirius must match this rhythm, so the Path of the Binary Star Sirius, is what keeps the rhythm to the rate that our planet grows. The Dark Star is in the very center of the Galactic Plane, we cannot see Dark Stars, but that is also a way to know where they are at, because what you cannot see, still exist, therefore, will give up its position in time, as other objects are eclipsed by them. Our Sun makes a Helix like Waveform, much like our DNA, as such, as the Sun is moving, and let me be clear about how the Sun moves around the Galaxy, our Galaxy moves with other Galaxies in clusters, and the also move in Helix waveforms, and have Dark Stars, thus you can imagine, Dark Stars act like Anchors. Dark Star Companions are smaller, in fact, very small, and their number vary by the track you are on, more on this later, look at these two images, and try to imagine this relationship, and you will understand the Companions keep the system in place.

I show only one Companion Dark Star, when we have 333, and that was too many to draw. I show the Dark Star as being Huge, it is not, I have no idea of its size, only the size of its effect. The Sun is not moving forward on its own momentum, and no Centrifugal force it taking place, the Sun is being dragged through Space, and that is how fast its being dragged, anywhere from 333,333 to 666,666 miles an hour, it speed up as it passes through the Galactic Plane, and slow down on the very outside, where it also makes 180 degree magnetosphere shifts, and it takes about 30 Million years to go one full revolution through the Galactic Plane, and around 266 Million years to go around the Galaxy. I do not want to write out all the detail in this book, if you want to know them, see this link:

<http://lightwizzard.com/books/trinary.universe/appendix.a.html>

An Advanced Society needs to know the truth about our Galaxy, and the Truth about our own Planet, Centrifugal force is not capable of creating Gravity, never confuse G-Force with Gravity, the Earth spins due to Magnetic Force, that is what drives this Planet, its Electrons, the Light inside them more to the point. The reason why Mainstream, which is owned by the Federal Reserve, and only reports approved Science, and News, only teaches BS Science, and by BS, I am not referring to a Bachelors Science Degree, But a Bull Shit Degree.

Just to set the record straight, you cannot use Newtons Math in a Godless Universe, it does not work, it only works on Static Light in a Dynamic Universe, anyone that tells you otherwise is a Liar, and as part of history to prove this, back around 1942, a reporter told Tesla that Einstein said he did not fundamentally change Newtons Universe, just to see what Tesla would say, the interview can be found online, so I will not repeat it, basically Tesla called Einstein's bluff, and told the Reporter to tell Einstein to prove it without using Newtons God as the Force of Gravity or basically shut up about it, eventually Einstein told a reporter that Newton was right, without God as the Force of Gravity, his theory could not work without Paradoxes, and all the Papers would report, was that Einstein found Religion, but that article is hard to find, I was looking for it one day, and could not find it, I have a photographic memory, so I can see it, it is an old documentary film shot in black and white on 35 mm film, I just cannot play the whole video in my mind, only that image comes up.

The Logic is simple, Light is actually just Electrons, in case you did not know that, so it behaves like all Electromagnetic energy, only at a different frequency, for example, when you raise the frequency of an Electron, it will get to a point where you can start to see it glow, then it just turns to Light, this is called its Resonance Frequency, different frequencies will give you different colored Light, and the reason for this is simple, the shell of all Atoms is made up of Neutrinos, these are very small particles, and it takes a lot of them just to make an Electron, and there are many types of Neutrinos. One side of the Neutrino Matter, the other is Antimatter, but without the Light, they have no Polarity, or Energy, and the Light binds them to form an Atom, this implies the Intelligence of God, the Atoms Shell shifts polarity in an alternating current pattern, as it shifts from Polarity and passes through Ground, its shell will reverse inside out, it does this when it its field goes to 0, it collapses all the space in the Atom, and when it comes out of the 0 Dimension of Space, and into the 1st then the 2nd, and finally into the 3rd Dimension of space, that is the Physics of

God, is just the Physics of Atoms. What we call Electronics, Newton called playing with God. Newton tried to do this with Chemicals using Alchemy, and almost went insane working with Mercury.

Today we take things for granted, but most people have no clue as to what Newton called God, and it was just the Light without Darkness inside of all Atoms. People that cannot understand this are called Retarded, it is not complex, nor is it beyond our realm of thinking ability to understand what God is, according to the Bible, let me show you a table that will translate from Trinity Math to Trinary Math

State	Trinity	Dimension(s)	Visibility	Graph												
(+1)	Father	ALL 3	Solid	*				*				*				*
0	Mother or Ghost	0	Invisible		*		*		*		*		*		*	
(-1)	Son	1 or 2	Semisolid			*				*				*		
Time frame				1	2	3	4	5	6	7	8	9	10	11	12	13

Table: Trinity to Trinary Math Graph names

To create an Advanced Society, humans must move past Money, because there is no way to build Pyramids large enough for Millions of People to live in, if you have to Borrow Money from the Bank to Build it, I can guarantee you the Bank will not Loan you Money for such a Project, and if they did, it would only become a Slave Prison, and there is nothing advanced about Slavery, the Banks took over because Lincoln allow them, and all Presidents since then, has had to have known this, or they are actually Retarded, the Banks print the Money, they have to deal with them to get money, instead of Congress, I think you would notice things like that, so they must also know this is Treason under the United States Constitution, because it clearly states that it is treason to allow the Banks to do this instead of Congress, common sense must apply to this situation, or everyone is just pleading insanity thinking that it will save them from admitting they are guilty of treason for using Money that Congress did not print, that is how the United States Constitution is supposed to work, but not the U.S. Constitution, its owned by the Bank, and it prints the Money, not Congress, and this is why, you need to move past money.

The only way the Federal Reserve will allow its Citizens to build a place on this planet, that is suitable for survivability of this End of Time Event in 2061, they will want Payment in return, and this is doable, and this is how, first we need a Name for this Project, and if your Read the Principles of the Trinary Universe, you know its Trinary Sanctuary, it is another book in itself, but the basic concept is simple, you ask the Federal Reserve for permissions to build this Pyramid on a plot of land large enough to support it, with room around it, for material to build it, and equipment, and other things you will need to get started, in return, you will build temporary housing around the entire plot of Land, and use it till there is room to move all the Trinary Sanctuary members into the Trinary Pyramid, giving up the outer ring to the Federal Reserve. You then produce enough Power, Food and Water, for the entire complex. The concept is simple, and there will be no Constitution this time, and the reason is simple, Newton fixed it, but the South unfixed it, and now its broken forever, no fixing it, so No Constitution, No Laws, No Rules, No Regulation, No Money, No Form of Barter, or Credit of any form, and No Alcohol, its Poison, and its Flammable in a controlled space, so it is not safe to make it inside of a Pyramid you have to live in, and if you allow Alcohol to be used, you will just have another Mainstream, and nothing will ever change, Alcohol kills brain cells, Tesla was so wrong about it, and Newton also, even Kepler, in fact, I am the first Wizard to write this, Alcohol is not good for you, and it is worse on any Society. The main trouble with Mainstream, is Alcohol, always has been, unfortunately, there are very few Alcohol Free Countries that can deal with Prohibition, and Moonshining is dangerous business, and can never be allowed inside of a Submarine, and that is what you will be building, all the Pods, are self-contained, the Air Supply is forced fed via a vacuum system, so it does not rely on power, this is achieved by building an air shaft in the middle of the pyramid, with wind turbines, not the blade type, to generate electricity, this shaft will eventually reach to the height you build the Pyramid, and 66,666 feet is the tallest it can go if you build them evenly around the Earth.

The concept is simple, once Trinary Sanctuary is built, those that want to live free and work, live in Trinary Sanctuary, and those that want to work for money, and work for the Bank, can live on the outer ring, that is owned by the Federal Reserve, or whatever Bank System owns that Land, that Trinary Sanctuary is built on. Beyond the Constitution is a place where you find that it never worked for any Nation, because Greed and Money cannot be separated, and that is Satan's domain. The way Satan recruits people and teaches them to become Sheep, is very Satanic, and the Bible describes how Satan does this, by telling you only half-truths, you never know which half is the truth, but that is stupid people logic, if anything is contains a lie, it is all a lie, because there is no difference, between a half-truth or a lie.

You must believe something exists beyond the Constitution, because it was such a miserable failure, it was gone for 160 years and no one missed it, and most stupid Sheep thought that they still had one, all because of Lying Lawyers, Politicians, and Religious Sheep. Those People who want to talk about taking back the Constitution knowing that is Treason are called Satanic Assholes, because they are too stupid to know how insane they are for thinking such a Satanic thought, you cannot forcible attack a Government that does not even live on its Soil, and you have no idea what Country the Federal Reserve is even in, all because you are Satanic, and will not admit it, and now you feel like a Fool, and just like the French, you want Revenge, and once that is over, you get greedy, and that is how Satan wins, and you lose your soul.

Satan is everywhere Money can be found, and people can be paid to do Satan's work, because only Satanic Sheep work for Satanic Money that is All Evil, and Evil Sheep do not care about anything but Money, and will Kill for it, and do sick things for Money, proving how Evil it is, and what Sheep will do just to get their Fix, they will Lie to you, and tell you that Money is just a Tool, a Tool for Evil only, and Satan's Helpers will tell you otherwise, stupid stuff like you need money to survive, and that is because you have to work for money to get money, not to get things to survive, you could be doing that if not for money, and if Money can be used for Evil, it is nothing but Evil.

Every Sheep in the World could read this, and just go back to being Sheep, and do nothing about it, and that is Evil, and Satanic, but that is what Sheep are, knowing they are Sheep, makes some of them Happy, as if being a Sheep is something to be Proud of, the Founding Fathers of this Country would be sick if they looked at it now, owned by the Banks they Freed US from, and nothing but Religious Liars, the Money Junkies the allow Satan to take over, and now all the Souls in America, are going to Hell at the End of Time in as little as 40 years, it will feel more like 40 days.

If anyone gets the Idea to try to take back the Constitution without paying off the National Debt first, will find out why they put all these Nuclear Weapons all over our Country, so they can remote detonate them if you try, Nuclear Weapons are a Blackmailers device that only Satan would have anything to do with, the truth is God is Atoms, so these are actually God Bombs, and all of those that use God in this way, is Satanic, and will go to Hell to prove it.

The Constant of the Universe is that Stupid People will say Stupid things, and they Believe they are not Stupid, because they got good grades in School, and have several degrees, but the real deal is that everything you learn was Stupid, and only made you Stupider, the better Grade you got, the more Stupider you actually are, and why Educated Sheep do not impress me, they are still Sheep.

Why bother writing for Sheep, is something I need to deal with, I have some sense of a feeling that someone that is a Sheep, can wake up, but that has never happened in all my years telling His-Story, and really it is not My-Story, it is the Story of Jesus Bar Abbas, who taught people, that the Roman Empire made up all the Laws, and Money, just to control its Slaves, and make them Cut their Hair, and do what they are ordered, like good Sheep should, knowing that Religious Sheep are Satan's Helpers, and totally Satanic, and too Stupid to understand it, they are Brainwashed, and doing the bidding of Satan, thinking they are serving God, knowing a Deity means God does not exist, and Sheep will never understand, that if God does not Exist, and God is just the Name of one of the Angels or Spirits, then who are all the rest of them, could it be, they are all Satan, as if that is a question, Religion is Satanic, nothing else I can say.

Chapter 6

Conclusion about the United States Constitution

You say you have a Constitution, but can you prove it?

Lawyers, Politicians, Police, Military, Government Employees, Religious Sheep, anyone that pretends that the U.S. Constitution is the same as the United States Constitution are the enemy of everything that is good in the Universe, they are Evil Trolls, and have no Honor, and are all Guilty of Treason against the United States Constitution, and I did prove it beyond a shadow of a doubt.

Sheep are a funny breed of Animal, it makes me wonder why some humans feel the need to pretend to be one, just so they can pretend God exist, when they believe God does not Physically exist, Satan is a very confusing person to learn from, so why Sheep chose to be taught by Satan, that God does not exist, so you believe you believe in God, but Ewe really do not, Angels are for Sheep, they do not exist, so you would be insane to believe in Gods that do not exist, but that is Satan, and how he teaches his Sheep to murder anyone that does not Believe, that God does not exist, as if Physically anything to do with it, Light without Darkness exist, so you know Angels are Satan's helpers.

The Sheep are so insane, that they allowed the Banks to build bombs that they can remote detonate, yes they do not need to launch them, they detonate them were they are, and this country is toast, so the Sheep believe those bombs are there to protect them, when they are really there to keep the Sheep under Control. This is to ensure that if the Sheep should manage to take over the Government, they would be forced to do the bidding of their master's or turn to stone.

To those living in Paradise, the surface dwellers are exiled to live in penal colonies, and given the chance to be Good or Evil, they choose to be Evil, and call it Good, that is what Religion is all about, lying to yourself, you say you believe in God, but the God you believe in does not Exist, proving you are just Insane, and Religious Sheep believe those that do not believe in their God, also known as Satan, that they are Evil, thus all Religious Sheep have no concept of what is Good, and what is Evil, because Satan has their minds twisted with Stupid Sheep Stories, so to prove what Fools Religious Sheep are, they believe in Christ and that Bar/Abbas is the Bad Man, when in fact, the Evil people are Moses, and the none existing Christ, but to fools and liars, the insane are the last to know it.

I am just documenting the end of the Human Life on the Surface of the planet Earth, in hopes that someday, those people in paradise might find it, and know why we perished this time, because Satan took over, and all the Sheep are too blame.

I have written many books, mostly about how to survive the End of Time, but few will believe they are Stupid or Satanic, so the Human Race is about to become extinct on the face of this Planet, and no one is even talking about it, or doing anything to prepare for it, and trust me, this is going to happen, it is just a matter of time, and time is not on your side now, only 40 years, and that is not a lot of time.

The problem with most people, is that they have been lied to their whole lives, everyone that meet just wants to use them, and abuse them, the Church has disillusioned many that have been raped by members, and the Church is only about Money, it is the only thing the matters to any Satanic Organization, and in the Bible, it tells you that only Satanic Sheep use Money, and the Roman Empire did not Die, it just changed its name to the Federal Reserve, and protected by Satanic Sheep, so it is no wonder most People become Jaded over time, and disillusioned about everything.

Why do good people follow Satan, is a good question, and a better one is, why do those same people still believe in the fake God after you tell them?

Once Satan puts his hooks into your Soul, it belongs to the D' Evil, devil, is just another name for Money, since it is the Root of it, and Satan's Helpers will try to convince you that it is not Satanic Script, when in fact it is, that Debt you paid is with your Soul, and if you think you do not have one, it is because you do not, Satan already took it, and you are nothing but a Soulless Soul who lost their Soul to Satan.

Anyone that has given their Soul to Satan, will have to do more than just ask forgiveness from God, because Religious Sheep have no Concept of God, none, not the slightest idea in fact, and why Satan came up with Spirits or Angels to pull you into the Underworld of Dark Magic, Money, the Belief System that it has any Value what so ever, other than to prove how Stupid you are for Using knowing its Satanic Script that only Satan and his Helpers would use, so if you are willing to give up Money, you might be able to get back your Soul before the End of Time, but if you do not help build Sanctuary, you will not survive it.

People will have to decide if they want to live or die, and the Government will let them die, it has no plans to save anyone that is not Rich or Famous, and they believe they can build Paradise, the underground Cities that Moses Destroyed for his Lust for Money and Law which gave him Power, that he abused, and why Money and Law is only used to Control Slaves, and Money and Law is Evil.

What I do not understand about Religion, is why Good People would want to get involved with an Organization, that requires you to murder anyone that does not believe the way the Organization wants them to think or behave, or believe, and if you cannot see how wrong that is, you have been brainwashed, and need serious mental health treatment.

The real question is why is Religion Legal, knowing it promotes Murder and Hate Crimes?

That is what Satan wants, and Religion is how Satan gets it, and Money is Satan's Tool.

I would Love to Change the World, and I know what to do, and I know I cannot leave it up to you, because I know Sheep, and I know Sheeple, and I know People, and they are not all the Same, but all those that believe in Money, Barter, Law, Rules, Regulations, or Religion, are all Satanic, so why would your Opinions mean anything to me, so how would I change the World?

I would shift poles on 14 January 2061 and bring on the Ice Age to clean up this Planet.

All I can do is document the fall of the United States to the Bank that now owns it, and all of US, as if we were just Sheep, and how Satan was able to get everyone to worship him, and sell their soul to him, for the price of Money, and when the End of Time event happens, Money will not help, nor save you.

What makes me sad, is all the People who believe in a Deity, or Spirit, or Angels, is that this is a sign of insanity, when the Bible tells you only Sheep believe this BS, wakeup, are Ewe a Sheep?

At the End of Time, I want you to remember me in the Flesh, and what I wrote, and ask yourself, if you wish you could go back in time, and listen better, and actually do something about besides talk, as people are looking around the world they knew is now Ice, and how do you live on Ice, as if that is fun, but that is the future for all, if the Bible is right, and I am not putting my Science in it, in fact, I put it in Newton, who said you can take all the Magnetic Force reading since 999 and calculate that our Magnetosphere is diminishing at a constant rate, that ends in 2103, and just because you might not live that long, others might, and we need to prepare for them, and no one will do it, unless you are willing to.

Jeffrey Scott Flesher PhD
Medically Retired U.S. Air Force Staff Sergeant
